Box Social.—A Box Social will be held in Latona Public School, south of Dornoch, on Friday evening, March 12. An excellent program of dialogues, recitations, etc., is being prepared. Admission 15 cents. Ladies bringing boxes free.

NEW PIPE ORGAN.—Geneva Presbyterian church, Chesley, has recently installed a pipe organ, two manual with pedals, and was erected by the Warren Organ Co. of Woodstock. Reading a description of it leads us to think a great similarity exists between it and the Durham Presbyterian organ.

A MOVING PICTURE SHOW and entertainment will be held in the Town Hall, Durham, Saturday evening, March 13, 1909, including comic songs by H. A. Falconer, Grandophone singing, recitations by J. C. Harrison, also violin music. Commences at 8 p. m. Admission: Adults, 20 cts. Children, 10 cts. HARRISON BROS.

IMPROVED MAIL SERVICE.—A direct mail now goes to Priceville on afternoon train, and a direct one comes in on noon train from the east. This is satisfactory as a first instalment and we hope Bunness, Vickers and Allan Park will before long have similar good service. At present there are longings for the directness of the old stage line.

ATTENDED BRUCE FUNERAL.—Mr John and Miss Mary McFayden attended the funeral of their aunt, Mrs Jno. Ross, nee Janet McGregor, who died last week at her home on the 8th of Bruce, near Lovat. The late Mrs D. McFayden of the Avenue, was a sister. She leaves as chief mourners, her husband, four sons and four daughters and a brother Donald, in Winnipeg.

Rev Charles W. Gordon, D. D. of Winnipeg, best known as "Ralph Connor," is to be one of the speakers at the Laymen's Missionary Congress in Toronto, March 31 to April 4, and will speak on the subject he is most familiar with: "Our duty to the English-speaking and European Settlers." It is interesting to note that Dr Gordon got his nom de plume while writing for a Toronto paper, and the name was given him by Mr Macdonald of The Globe, through the misinterpretation of a telegram. The name was originally "Connor," to suggest Canadian Northwest.

BANQUET AND ENTERTAINMENT.—This Thursday night, under the auspices of the Baptist Young People, a banquet will be given, the entire supper being supplied by the Shredded Wheat Co. It is pronounced to be excellent, entirely composed of the many dishes prepared from Shredded Wheat products. Supper will be served at 6.30 in the lower hall and afterwards a high-class musical program will be rendered upstairs, by the best of home talent, including Dr Brown, Holstein, Miss Flo. Everett, Miss Birdie Crawford, Miss Lillie Walker, Messrs W. D. McKay and Grant McComb, with Miss Rita Irwin as accompanist. Admission to supper and concert to everybody, 25 cts.

WEDNESDAY, 17TH MARCH.—On this date Mrs Robt. Hall, Lot 31, Con 7, Bentinck, offers for sale by Public Auction, Farm Stock, Implements and Household Furniture. No Reserve, 9 months' credit, 5 per cent per annum off for cash in lieu of notes. Sale at 1 o'clock.

NOTICE.—All accounts owing to John Murdoch must be settled by the 15th of March without fail.

We cordially invite you to our Spring Opening, March 24 and 25 and following days.

Large shipment of fancy writing paper and envelopes and new supply of school books at the Central Drug Store this week.

SAW LOGS WANTED.—Pine Hemlock, Spruce, Balsam, Maple. To be delivered at Smith's Foundry for which good prices will be paid.

C. SMITH & SONS.

Great extra price cutting events Thursday, Friday and Saturday, complete-clearance of Ready made clothing, hats, table linens, etc. Great Liquidation sale continued.

H. H. MACKLER.

A SAD BEREAVEMENT.—The sympathy of the town is extended to Mr and Mrs P. Gagnon in the loss last Thursday of their only child, a bright little boy of a little over a year old, from an attack of bronchitis. The funeral was held Friday, the Furniture Factory closing in the afternoon to allow Mr Gagnon's fellow-workmen the privilege of paying the last tokens of respect.

OBITUARY.—There died at Bathgate, N. D., on 2nd March, 1909, Martin McGilivray, formerly well-known in Bentinck, where two brothers still reside: John of Mulock and Donald at Elmwood. Deceased passed through a long illness, and his end was not unexpected, yet the removal has left a lonely home and called forth the regret of many friends. We have no other particulars at this writing.

THE REVIEW GIVES RESULTS.—Finding a cutter rug, Mr Cook, of Glenelg left it here to find an owner and Saturday week Mr D. Edge claimed it. Last week a little ad. for a chain and lock set was inserted by Mr Heagham, of Mulock and as a result, the jewelry was brought to the REVIEW Office last Saturday by the finder, Mr A. McClinton. For extensive publicity, there's nothing like an ad. in the REVIEW.

MARCH FAIR ON TUESDAY.—The fourth monthly horse fair will be held next Tuesday, the 16th, and prospects are it will be the banner one. Each succeeding one so far has eclipsed its forerunner, and at February sale there were 20 horses sold, with as many more since as a result of that day.

EARLY CHICKENS.—The Fleshermen Advance says "The editor of this paper has a few Rhode Island hens that he feeds as a pastime. Last month a couple of the birds wanted to set and their motherly instincts were attended to, with the result that on February 21st twelve strong chickens kicked themselves into the light of day, and on the 28th eleven more split their environments. The mothers and 23 chickens are all doing well, but the conundrum now is, how to keep them scratching without turning up their toes. It was an unearthy early season for chickens to scramble into this cold world, but so far we have kept them from regretting it."

WEDNESDAY, 17TH MARCH.—On this date Mrs Robt. Hall, Lot 31, Con 7, Bentinck, offers for sale by Public Auction, Farm Stock, Implements and Household Furniture. No Reserve, 9 months' credit, 5 per cent per annum off for cash in lieu of notes. Sale at 1 o'clock.

Tied in the Finals

Durham's fast hockey setpiece break even with Wingham here in first game.

The Northern League hockey championship was the stake at issue in the first of home and home games here Monday night; Wingham, winners of District No. 1 faced the Durhams, winners of District No. 2 and the fiercest and closest game of the season was the result. After an hours strenuous hockey on soft ice, two very tired teams left the ice with no decisive line on the final winner. The score is contested to-night, Wednesday in Wingham, the teams with the majority of goals to their credit for the two games, lands the bunting as it's now stands, the victors in to-night's game are "it." The casual observer would suppose that, seeing Durham could only tie the visitors at home, they would be distanced in Wingham, nevertheless the locals and their supporters have strong intentions of pulling off the long end of the score to-day. Given keener ice, the fast blue and white home expect by superior speed to gain the majority of counters.

The largest crowd ever attending a hockey match in Durham filled the spacious new rink two and three deep along sides and ends, yielding nearly \$100 box office receipts. They were there from Hanover, Flesherton, Dornoch, Holstein and Mr. Forest, about thirty being present from the latter town. Included among these were the High School Junior O. H. A. team, who were in the semi-finals until repulsed by Berlin, and were indebted to the Club for the privilege of coming and witnessing the game.

And the match itself. All were unanimous in pronouncing it the best yet in town, and there were some previous ones of excellent calibre. Despite the soft ice, the game at time developed streaks of surprising swiftness. The Durhams, with their fastest line-up of this, their first season, met the toughest opponents they have yet encountered,—a heavy set team who have played together for seven years, and with league honors at stake, there was bound to be something doing.

The entire Durham bunch, it is safe to say, played the game of their lives, under prevailing conditions, Cameron, ever cool, was always to be found in the right spot. His absence when penalized was severely felt. Lavelle and Saunders, the two fastest skaters on the team and probably on the ice, were game and worked like Trojans. Begley, it was remarked, never played a cleverer game and the only "Mulvey" was back in uniform as his sensational ploughing through opponents evidenced. Laidlaw in goal, allowed a couple easy ones to slip by, but redeemed himself in the second half by his impregnable. There was no point at which Wilson at point could not block the long lifts, and frequently relieve the goal.

The visitors also presented a strong and balanced team, with a slightly superior combination, acquired by a longer period of team play. The stars were Moore at point and the two fast wing men.

About 8.20 the game was on and the feature was the poor start from a local stand point, followed by the glorious and hair-raising finish. At the commencement it was fast and fierce. Wingham finding the first opening in 7 minutes. Soon it was 2-0, but the balance was more evenly restored when the locals counted their first. Twice more the visitors found the nets before the half was completed, but all the blue and whites were unswerving. C. Lavelle as goal umpire took an energetic part in a dispute on the ice and was replaced by Arnold. Referee Shea of Palestine penalized three home men in this half and an equal number of visitors, the latter throughout the game chiefly for tripping. 4-1 at half time in Wingham's favor looked good for a safe finishing margin for the greens, but on opening the second half the Durhams were alive to the situation and set out determinedly to cut down the lead. They made it 4-2, then 4-3, Laidlaw in the meantime keeping the local nets clear. Then the crowd was on edge, and excitement grew terrific. Lavelle made a splendid shot but it was equally well blocked and after over 10 min. more of suspense, Wingham secured their last and only counter of the second period. 5-3 against them and only a few minutes to play, the grit of the locals manifested itself. For a few minutes they had almost entire possession of the puck, culminating in a goal after a pretty combination down the entire side of the rink by Wilson and Begley, the latter scoring. Still it looked to be the first home defeat for the locals when in the last half minute of play, Saunders scored and tied. With their hopes fulfilled, the crowd went wild with delight at the satisfactory close.

It turns out that Jos. Kelliker, who was burned to death in the lock-up at Port Elgin, was a South African Veteran, and that he was making arrangements to go out west to locate on the land, which as a South African Veteran, he was entitled to. He went to Port Elgin to buy a house and lot for his mother before going west, and after the writings had been drawn thought he would celebrate the event by taking a drink or two. It was that drink that was responsible for his tragic end.—Ex.

Delegates are already registering for the Canadian National Missionary Congress to be held in Toronto, March 31st to April 4th. More than 300 delegates are registered as Honorary Commissioners, and 50 of the most prominent men from the United States are coming as visitors. The Executive Committee of Montreal expect to send a delegation of at least 100 men. Hamilton, Ontario, will send 80, and a special committee is at work in Halifax to secure a delegation from that city. The allotment of commissioners as assigned, gives 500 to Toronto, and the Toronto men feel that this is not nearly enough.
