Druggist here at present regarding this medicine, and can be small cost from any pharmacy, or they can be put up if asked to furnish. stated that while this prescription is often prescribed for affections with splendid results, it is no reason why it should be a splendid remedy for kidney troubles and as it has a peculiar action on kidney structure, cleansing out important organs and them to sift and filter from blood the toxic acids and waste which cause sickness and suffering. Weak Kidneys

Weak Kidneys, surely point to weak kidneys. The Kidneys, like the Heart, and the Stomach, find their weakness, not in the organ itself, but in the nerves that control and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these nerves, to doctor the Kidneys alone, controlling nerves. To doctor the Kidneys alone, is a waste of time, and of money as well.

If your back aches or is weak, if the urine is dark or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney diseases, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can and will do for you. Druggists recommend and sell.
