A warning against strong drink (v. 31, 32). 31. Loc: not-This prohibits even

moderate drinking. It is our duty to

avoid temptation (see Prov. 4, 14, 15). The person who enters into temptation | same result .- B. L. O. is almost certain to fall. Red-The bright color of the wine gives it an attractive look. His color in the cup-Literally, "its eye, the clear brightness, or the beaded bubbles, on which the wine drinker looks with pleasure." Goeth down smoothly" (R. V.)-"This verse pictures the attractive side of wine, when it seems perfectly harmless to sip a little, when it is bright and inspiring, thriffing the nerves with delight, promising all joy and freedom. It is the shining side of evil that is so dangerous-this flowery entrance to the path that leads to death." At such a time, beware!

in the veins and causes disease and death, duces, there would be bread enough for this word is translated "cockatrice." It picture cannot be overdrawn. The curse of strong drink is worse than the bite of a thousand serpents. Note some of its evils: It causes loss of time, of talent, of purity, of a clear conscience, of selfrespect, of honor, of religion, of the soul. It injures the family, obstructs business, arrests industry, impedes progress, deranges plans, estranges partners, lowers personal standing, debauches polites. It wastes the body, disables the mind, unfits for the daily duties of life, brings poverty, tempts others, leads into bad turns men into beasts; it makes wives company, causes crime. It fills poor houses, penitentiaries, and the regions of III. Strong drink ruins character (v.

23. Eyes shall behold, etc. "Thine eyes shall behold strange things,"-R. Some think there is a reference here to the delirium tremens. But the rendering in the Authorized Version, which is re tained in the margin of the Revised Version, is, according to the Cambridge Bible, "in keeping with the usage of the word in the book of Proverbs, and with the undoubted connection between excess of wine and lust." The "lust of the eyes" causes the downfall of many. We should hasten to close our eyes to that which we ought not to see . It

utter-When men or women indulge in the bars to every sin that follows in the train. The heart is the centre of life, ed' and from it spring all evil desires. In a state of drunkenness men utter things out of reason and contrary to deceney. When a man is under the influence of li quer his character is bad and he behaves badly. Alcohol makes criminals, A large per cent, of the inmates of our penal institutions are there through the

IV. Strong drink leads to folly (vs

34. In the midst of the sea-A drunk en man puts himself in the greatest dangers and then fancies that he is secure. To make one's bed in the waves of the sea would be to instantly perish. Top of a mast-To fall asleep clasping the masthead could not but result disastrously. So the drunkard is utterly regardless of life. 35 Have stricken. not hurt (R. V.)-With conscience seared and self-respect gone, the drunkard boasts of the things which should make him blush with shame. Because he did not feel the hurt of his wounds he cares not for the sears. He thinks himself fortunate to be saved from the sense of pain, feeling no alarm for his unfeeling soul. Have beaten .. felt it not-Angry companions have done their worst to end my life, says he, but their blows did not affect me. Will seek .... again-Rather, when I awake I will seek it again. Instead of turning to God for mercy, he returns to the saloon for more of the poison that has brought him thus far on the way to ruin. Self-control is gone. Thed runkard is a slave to appetite. He is insen- | the way of salvation .- A. C. M. sible to the pleadings and warnings of those who seek his salvation. "The victims of intemperance will trample over everything to reach strong drink. Put wife and children in the path before respectability and honor and manhood Head of Firm-Great Caesar, there; they gaze at them a moment and One of them weighs 200 pounds

fling them away. Bring Christ and sal vation and heaven to withstand their lownward way, and they trample them under their feet. Lay remorse, with all its coiling, serpent tongues and scorpion stings in the path, and yet they walk on. Pile up miseries, sorrows, pains, diseases, before them; yes point out in the way the ghastly form of death, and they still go on for they will have rum." Oh, the power of an evil habit. It holds a man in an iron grip and drags him down to hell. And yet this evil habit can be overcome; Jesus Christ is able to break its pow-

PRACTICAL APPLICATIONS.

Wine-Drinking. I. The results. 1. "Woe" (v. 29), Win drinking brings the woe of (1) ill healt It poisons the blood and saps the cor stitution, and spreads the foulest di eases. (2) Poverty. It indisposes ar unfits for industry. An army of eig teen hundred workingmen marche through the streets of Chicago carryin a banner inscribed, "Give our childre bread." They went out to a pienie gar den and drank forty kegs of beer. If the poor people would put away the ber 32. At the last it biteth-it is poison | and the idleness which beer-drinking i its only beauty is when it sparkles in the children. (3) Social contempt the cup. Added In the Geneva Bible | Strangers loathe the drunkard, his comrades jeer him, his neighbors despise him was a very venomous serpent. But the his wife dreads him, his children shur him, and at last even the saloon-keeper who caused his ruin will throw him into the streets. (4) Remorse. When ot intoxicated the drunkard suffers gnawing pain and awful anguish as he realizes his miserable folly and real guilt. (5) Disgrace. The habits of the drunkard affect his looks. The inflamed eyes, the red.

2. "Sorrow" (v. 29). Wine-drinking widows, and children fatherless; it robe helpless infancy of food and clothing. There is no sorrow that pen can picture so dark, so heart-breaking, as that which wine-drinking brings.

3. "Contentions" (v. 29.) One Saturday evening a company of eight work- bid. men went to a tavern, and putting their money together bought a gallon of whiskey and drank it. On their way home four of them began to quarrel, which ended in a fight. Two were killed, and dressed weight; refrigerator beef he murderers were sentenced to prison | quoted at 9 3-4c to 10c per pound. for fifteen years.

4. Destruction. "At the last it biteth ike a serpent, and stingeth like an adder" (v. 32.) This is the end. At the first it sparkles and cheers; at the last it poisons and maddens. At the first it | gar, 3.17c to 2.26 1-2c; refined, steady. is the grateful stimulus of an hour; at the use of strong arink they let down | the last it is the 'worm that never dies, and the fire that never shall be quench-

5. Licentiousness, "Thine eyes shall easily tempted. With judgment clouded, in a fair amount of orders. The situa-

that lieth down in the midst of the sea, millinery opening brought a fair volume mast" (v. 34.) A seaman wide awake were by no means large, loes not find it easy to hold on to the masthead in a gale; but to attempt to steady during the past week, and there sleep there is sure suicide. Many a young has been some further slight improveman has put himself under the delusive | ment in the number of orders for whole sorcery of strong drink, dreaming that | sale lines. Retail business is moderate chose, only to be swiftly hurled into the lections are no better than fair. Dry

II. The remedy, "Look not thou upon mostly for small parcels, but that they the wine when it is red" (v. 31.) Do not | are fairly numerous. The millinery waste one glance upon it. Do not put trade was well up to expectations, Hard ourself in the way of temptation, Turn ware business is steadily opening out rom it as positively as the little girl, and the month's shipments are expected out driving with Miss Willard, who said, to be heavy. Paints and oils are meet-"Wicked old saloon, I'l try not even to look at the barrels." A person who fold generally well maintained.

Prices are sustained by being run down and butted into by a terrified woman in the course lows his Bible will be a total abstainer. "Looking unto Jesus, the author and finisher of our faith," is the remedy for every ill (Heb, 12; 2.) As the bitten Israelites looked to the brazen serpent, so the sinner stung by the serpent may look up for health and life. Any of the | the coast. Israelites could look. Even the weak ones who could not raise their heads could look. A little child bitten by the serpent can look, so easy has God made

ried in the United States, is about 24

years of age, and it is thought he may

now be in Winnipeg with his parents. HIS EYES BLOWN OUT. Charles Cowie Killed by Explosion

on the N T. R. Winnipeg, March 22.-Charles Cowie, an employee of the Ideal Wire Fence Company, engaged in blasting holes for telegraph poles along the National Oshawa despatch: Samuel Williams Transcontinental, was killed by a preaged tight years, son of S. R. Williams, working by himself when the accident an employee of the Oshawa Steam & Gas | occurred. Both hands were blown off Fittings Company, was to-day run over and his eyes were blown out. His wife

MORE DAYLIGHT FOR SCHOOLS Inspector and Trustee Would Adop! the Idea.

Toronto, March 22 .- The Board of 1 naction of Toronto may adopt the Daylight Bill idea now before the Parliaments of both Great Britain and Canada. Inspector James L. Hughes is in favor of a trial for the summer months, He would begin the day's work at 8.30 a.m., and give the pupils from 11.30 to 1 o'clock noon-day intermission. School would be closed at 3 o'clock, thus giving much time for play. Trustee James mpson intends introducing a resolution to make this the law.

DISUNION ONLY BAR.

Says Otherwise Ireland Could Get Home Rule at Once.

London, March 22.-John Redmond in a speech at an Irish banquet today, referred to the creation of an Lrish ity, the land question and education, Agent—Mr Drygoodson, have you any visible typewriters in your office?"

Agent—Mr Drygoodson, have you are inclined to show slightly more activity, but the arrival of spring is wanted to give anything like a snap to trade of them weighs 200 pounds.

The pessimist was suffering from local union is \$25,000, while a perpetual injunction against picketing has been generally. Country trade is quiet, Programted, and the optimist.
