can be destroyed and hundreds of thousands of dollars saved to farmers of the state by the use of Formalin. This is not a theory but a well-proven fact...

In some instances, the best results are not obtained because an inferior grade of Formalin is used. Our Formalin is the best grade for this purpose.

To make sure of the best results you should secure your supply here 25 and 40c bottles.

Health Protection

It is very important that disinfectants be freely used at house-cleaning time. This is necessary to destroy the lurking germs of disease which no ordinary cleaning will destroy.

Protects from contagion and infection of all kinds. 25 and 50c a bottle.

Supplement to Durham Review

Durham, April 22, 1909

We Never Dreamed of such Millinery Enthusiasm

ALL pre-Easter records for selling of Millinery have been broken so far. People seem to have realized as never before what a priceless advantage good taste adds to the material quality of a hat.

river. Examination led to the conclusion that it had been in the bay for eighteen months. Skins were found on the railing of the bridge over the Don, those were shaved and scraped off and taken to Prof. Croft, Toronto, to be analyzed. He declared it to be human blood.

At this time there existed the "Brock Bush Gang" a set of desperadoes, who caused terror in many districts. Our member it was found, had been a frequent of the neighborhood and had met death it was learned by a man named John Browne, a handy man or man-of-all-work for Hon. John Hillyard Cameron, and also a frequenter. Browne was suspected, arrested, tried, convicted and hanged on the evidence of Jane Ward and Ellen McMillock in spite of the strenuous legal efforts of the Hon. John to save him.

The county was now open and the Government seized the opportunity to place in the field for the by-
