Master Caldwell Marshall spent Easter holidays with Shelburne friends. Mr. Roberts, of Collingwood, the new tailor and cutter at H. Burnett's, arrived last week. Mr. R. M. McDonald, of Woodstock, is the new clerk in the Traders Bank here, arriving Saturday. Mr. L. V. Coffey, of Tavistock, arrived last week to succeed W. C. Livingstone as Standard Bank teller. Mrs. Hugh McKechnie, on the hill, who lately returned from a visit with Markdale relatives, is ill with La Grippe just now. Mr. Arch. Davidson and aunt, Miss Beth, who have spent the winter at his parents here, returned to Owen Sound last week. Miss Bertha Sparling left Monday morning for St. Mary's, where she has a good position as stenographer and cashier in a store there. We regret to hear that Mr. Thos. Swallow Sr., is having trouble with his one good eye. He went to Neustadt, Tuesday to consult Dr. Brown. Miss Marion Galt was operated on last Wednesday for appendicitis and is making progress towards recovery. A most unusual feature was the presence of a kind of sac, surrounding the appendix. Word has been received that Mrs. Johnston, (nee Susie Culbertson) is very ill with a tumor in her head. Mrs. Matthew Scott, who has been with her mother, Mrs. Aljoe Sr., all winter is going out West immediately to be with Mrs. Johnston in her illness. Messrs. Martin Thornhill, Celary, Dr. Brownlee and Messrs. Thornhill and Gibson of Mt. Forest, Messrs. Wilcox Munshaw and Messrs. Sealey and McCorquodale, of Flesherton, and Mr. Will Hall of Markdale, were the outside guests at the Assembly in the Hall last Thursday night. Mr. W. C. Livingstone, teller of the Standard Bank, was promoted last week to the position of accountant at Tavistock, leaving Friday afternoon. We congratulate Will on his promotion, but regret to lose him from the town, in whose sports and social life he has ever taken an active part. Mr. W. D. McKay, of the Traders Bank, received information Thursday last that he was transferred to the head Toronto office, and left Friday to assume his new duties. He was much missed in musical circles, and in the Presbyterian choir and Young People's work, where his abilities, musical and otherwise, were willingly given and much appreciated.

Learn Dress-Making In Two Weeks. I teach everything from the plainest shirt waist to the most elaborate toilet and show you how to put together not only the lining, but all the outer goods in Coats, Skirts, Waists, Sleeves, Wrappers, Children's Dresses, etc. Why spend months at a dress-making shop, where you do nothing but hem, overcast, sew on hooks and eyes and then after you have served months there, do you know anything about cutting? Absolutely nothing. Come and try for a few days and see how you like it, as there is nothing to be paid in advance. You certainly will not lose anything by trying. Consider what you will be able to save by making your own garments.

An evening class will also be taught. In this class I will teach Shirt Waists, Sleeves and Sacques. Charge for this course \$4.00, charge for full course \$10.00, to be paid when through if satisfied, including one of the most perfect fitting charts in use, which I give free. Will teach at Durham from April 19 to May 3rd. Hours from 8.30 a.m. to 5 p.m. All wishing to learn, or for full particulars, see me at the Hahn House on Saturday, Apr. 17th, between 10 a. m. and 5 p. m. MISS L. PAUL, Graduate of the Misses Ellison Dress-cutting School Berlin.

Notice to Owners of Live Stock. Coming Liberal Convention.

Hon. A. G. MacKay, Leader of Ontario Liberals, is "making haste slowly." He has announced a Liberal Convention to be held in 1910, the date being placed that much in advance to allow of discussion out of which a policy may be evolved that will command itself to the party and the country. Mr. Alex. Smith, long organizer for the Liberal party, has suggested a series of meetings at local points, with delegates from adjacent counties. These district meetings he thinks should be at Port Arthur, Sudbury, Chatham, Hamilton, Guelph, Orillia, Kingston and Ottawa, and should be held this year or early in the next. Thus the mind of the party could be secured and the outlines of a platform foreshadowed that would be broadly provincial in its character.

Additional Locals.

Mr. Fielding's budget was presented on Tuesday. Canada's surplus of revenue over ordinary expenditure is \$1,500,000. Capital expenditure is almost 50 million dollars 40 million added to the debt during the year. These are large figures, but the public works have been on a vast scale. The increased population makes the debt per head \$45.72, a reduction from \$50.82 in 1896. Mr. Fielding predicts a great reduction in expenditure in the present year.

A NEW NIAGARA WONDER—Niagara River is in a fearful situation at present, the river bed for almost ten miles being blocked with ice, continually advancing from Lake Erie and forcing into mountains 40 or 50 feet high and jammed to the bottom of the river. This forms a dam which is flooding even Lewiston and the inhabitants of Niagara-on-the-Lake, are all ready to flee, for the whole town is like to be submerged.
