The Power of the Tongue .- Jas. 3:

Commentary .- I. The importance controlling the tongue (vs. 1, 2). 1. Be not many masters-"Be not many of you teachers."-R. V. The office of a ant one in the early Christian Church ed in talking rather than acting. 2. We a thing." offend all-"We all stumble."-P. V. The R. V. is much clearer. This does not mean that Christian teachers offend everybody, but that they are fallible and are often mistaken in their interpretations of certain truths and do not use correct words to express their thoughts. This is true of the holiest and wisest. Offend not in word-This liability is very great in every one, but it is especially great in an office where the very business is public-speaking. The ed to a high degree of wisdom and tongue, that man is soul-sick (Jas. 1 acter, "the perfect man" here is dis- | power of that little member: tinguished from the one described in | I. Bits. Train Service Crippled in Three States by Them.

Crops Destroyed by Rain -Tornado Also Decs Damage.

New Orleans, La., May 31 .- Train service on many roads in Louisiana. Mississippi and Alabama was badly crippled last night as the result of torrential rains which were experienced throughout those States. Many streams are out and several towns have been cut off from the crippling of the railroad. The crop damage large. No extensive property damage and no loss of life are reported.

WIND AND LAIN. Memphis, May 31.- Reports from the surrounding country bring advices of considerable devastation by recent rain and wind storms. Missis. sippi and Arkansas seem to have suffered most. The Arkansas River is out of bank and flood warnings have been sent out that other rivers will rise above the danger point,

In both States the crops are said to have been almost totally destroyed. while numbers of towns are under water and families have been driven that the package contained gold and ne- to the roofs of their homes and the only means or transit is by boat.
