No Bankrupt Stock at the Side-show

To be perfectly candid, our sympathy goes with "under dog," who perhaps, put up a stiff fight against strong opposition from his rich neighbors; who perhaps had sickness, sorrow and various other vicissitudes against which to contend; and, when at last convinced of the hopelessness of the struggle, he throws up his hands and surrenders.

Hopeville.

Mr William Dezell is home on a short visit from the Peterborough Factory Company. Mr Joseph McErdle is home from his visit of a week in Durham and Peterborough Counties. The family had a happy reunion at the home of his sisters, Mrs Roddys, of Fraserville in Carver Township and while there he met his brother Wm H. of Midland, his sister, Mrs Willis of Coburg, besides a nice household of nephews and nieces from Carver and Peterborough.

Mr McErdle also attended for two days the Orange Grand Lodge of British America, holding the annual session in the city of Peterborough and represented the district of Protton. He reports meeting many old friends.

Good weather has now set in and things here are beginning to look better. The student at Esplan church is visiting with friends in Palmerston. The Rev. Mr Nines of Palmerston, a retired minister, preached a fine sermon to the people at this church last Sunday.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be the Stomach nerve, or it may have given strength and support to the Heart or Kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to dose the Stomach nor to temporarily stimulate the Heart or Kidneys. The old-fashioned method goes directly to these failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten days test will surely tell. Try it once, and see! Sold by MacFarlane & Co.

Popular Place

Miss Millie Whitmore spent Victoria Day with her schoolmate Miss Vina Knox of Swinton Park. Several of our young men are sporting new goggles—now, Messrs Wm Lawrence and Wm McFadden are on the list too, having purchased new ones from Mr Wm McFadden, Durham. We are sorry to report that Mrs Jas Dixon has not been well lately. We hope she will soon be better.

Miss Sadie Whitmore visited Miss Maud McGillivray of the north line on Sunday last. On Saturday afternoon last, Vera Hopkins gave a birthday party. At two o'clock about thirty chums gathered at her home where they enjoyed themselves by singing, playing ball and other games. Vera received many gifts which she prizes very much as she will always have them in memory of her young chums and her thirteenth birthday. At four o'clock, Vera brought her guests to the house where a guessing contest awaited them. It was a jar filled with beans. Two prizes were given, Miss Irene Ritchie won first, a hand painted pin cushion and Christina McGillivray got a bonny Santa Claus stocking. Then tea was served, Vera presented a hat with numbered tickets in it. Each guest took a ticket for those they got a money number like their ticket, Miss Mary Whitmore, a clever little girl gave some fine selections on a month organ. Other girls gave music on the organ. The happy crowd parted for their homes about 7 p. m. wishing Vera many happy returns of her birthday.

Mrs Anthony Lawrence and her father Mr Wm Wright called on the former's daughter Mrs Philip Lawrence on Monday. Mr John Arost joined the Orange Lodge 1192 on Monday evening. Mr and Mrs Cowan of Durham visited the latter's parents Mr and Mrs Henry Barrett on Sunday last.
