ALEX. RUSSELL, THE BIG STORE

DURHAM

Dromore.

The Scotch Lecture held in Amos Church on the evening of May 24th was quite a success. Roads being good and weather favorable, the church was well filled. Rev. Mr. Kendall was chairman. He opened the meeting announcing the National Anthem which was sung by all present. Mr. Renwick then led in prayer. Rev. Mr. Buchanan, Dundalk was then called on to give his lecture on "His trip to Scotland." Before leaving Canada the "Maple Leaf Forever" was sung.

Mr. Buchanan gave a most instructive and delightful lecture, bringing the places and scenes in Scotland, very vividly before us. During the lecture several Scotch songs were sung. Miss Eunus McLean, Priceville, was present and delighted all with her sweet melodious voice. Miss McLean has sung in Amos before and it was a treat to hear her again.

Mr. Ramage also gave a couple of Scotch songs and one Irish song as Mr. Buchanan took his audience through the north of Ireland. The choir gave a couple of selections. The lecture was closed by singing Doxology and prayer.

Proceeds of evening amounted to \$31.10.

Miss Agnes Renwick, Niagara Falls, is spending a vacation with her parents here.

Mr. Colin McMillan attended Priceville church Sunday evening.

Rev. Mr. King, Holstein, preached a splendid sermon in Amos Sunday morning.

Everybody round town through seedling planting parties is the order of the day. Miss Maggie McLean, Yeovil, spent the 24th at her home here. A number of the young men took in the sports in Dundalk on the 24th. They report a good time. Miss Nettie Renwick arrived home from Toronto last week to see her mother who has been ill.

Priceville

The weather has taken a decided change and now the good warm summer has put in appearance making everything look beautiful to behold. Crops are beginning to look well, grass and meadow fields seldom ever had a better appearance at this time of year. Now the 31st day. Low lands were again in getting in, some only in a fit state for cultivation this week, which will be sown with some kind of grain or roots that will suit for late purposes.

Welbeck

Mr. and Mrs. J. Stewart spent Sunday at the home of the latter's brother, Mr. McIntyre of Dromore. Mr. and Mrs. T. J. Shewell visited the latter's home in Owen Sound for a few days last week. Mrs. Jones returned on Monday to her home in Idaho after an extended visit with her parents, Mr. and Mrs. Duncan Campbell. Mr. Fred Bray spent Sunday with Crawford friends. Mr. Wm Ives has recently purchased a handsome driver. Looks like business Billy.

The Misses Selina and Laura Trux spent a pleasant evening last week at the home of Mr. and Mrs. F. Shewell.

Miss Maggie Morley of Dromore, spent Sunday with her friend, Miss Coia Johnson.

The Assessor of Artemesia and Glenelg met on day last week for the purpose of equalizing Union S. S. No. 12, Artemesia and Glenelg. Artemesia side is \$68 in the hundred and Glenelg \$2 in the hundred or 68-100 and 92-100. Mr. Malcolm McInnes moved to the Gravel Road again last week after spending a couple of years as resident of this town. The Rev. Mr. Kipp will hold prayer meetings this week in McCuaig's School House on Wednesday and Thursday evenings. Doctor McArthur has his Dentistry ready and now prepared to attend to all in need of his service. There is a large quantity of wood at the sawmill cut up from slabs so we expect wood to be cheap next winter. Angus McDonald who spent the last two years in Alaska in the gold reining mills came home to the south line about a couple of weeks ago and intends to stay now for some time at least.
