If you would have a safe yet certain Cough Remedy in the home, try Dr. Shoop's—at least once. It is thoroughly unlike any other Cough preparation. Its taste will be entirely new to you—unless it is already your favorite Cough Remedy. No opium, chloroform, or any other stupefying ingredients are used. The tender leaves of a harmless, long-leaved mountainous shrub, give to Dr. Shoop's Cough Remedy wonderful curative properties. It is truly a most certain and trustworthy prescription. In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be the Stomach nerve, or it may have given strength and support to the Heart or Kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to dose the Stomach or to temporarily stimulate the Heart or Kidneys. The old-fashioned method is all wrong. Dr. Shoop's Restorative goes directly to these failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual causes of the failing organs. And it is indeed easy to prove. A few days rest and you will surely tell. Try it once, and see! Sold by MacFarlane & Co.

Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments, must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the local. Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure—is a topical medicine, suppository remedy, while the Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood elements. The "Night Cure," as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, causes nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablet or Liquid—as a general tonic to the system. For positive local help, use as well the "Night Cure."
