STORMED NO. 6.

Strikers stormed the gates at Dominion No. 6 last night, burned some property of the Dominion Coal Company and poured volleys of shots into the building. The fence around the mine was almost demolished, and the small force of constables there had all it could do to prevent the rioters from getting at the machinery. That the presence of the troops was urgently needed was conclusively proven by the attack on No. 6, and there is wonder that no one was killed in the melee.

A report that the strikers had planned a concerted attack on this colliery gained ground early yesterday afternoon, and a special train with eighty county constables was hurried to the They got there none too soon. Even "God Save the King" is Forbidden to be Played During Dinner Hours, so That Guests May Eat Their Food in Peace.

Niagara Falls, Ont., July 12 .- The alleged "Star Spangled Banner" incident at the Clifton Hotel, which is agitating New York city, had its ignoble birth in the vengeance-wreaking mind of a disgruntled waiter who was recenily dismissed from the Clifton Hotel. By this ignominious medium the news found its way to an American paper, and was transmitted to a world which wondered how the mosmopolitan Mr. Major could be guilty of such a discourtesy.
