A CLEVER PLAYER.—Such is the Toronto Star's reference to little Harry Layelle, a Durham boy formerly on the local lacrosse line-up, but who has now made good in professional lacrosse with the Capitals of Ottawa. Playing at inside home against the Tecumsehs of Toronto, Saturday, he scored two of his team's goals. The Toronto News eulogizes his work as follows: "The Capitals played three Juniors—Yetman, Marsh and Layelle. Of these only the latter at present gives promise of developing stellar qualities. He is small but fast; is always in the thick of the fray, and is apparently fearless—qualities all that will stand him in good stead in his lacrosse career."

PALMERSTON OLD HOME WEEK.—The Greatest Home Coming Event in Palmerston's History will be held in the Agricultural Park, Palmerston on Aug. 2, 3 & 4. Great preparations are being made and the program of events will be varied and extensive and will include Reception and Welcome, Parades, Decorations, Lacrosse, Baseball and League Matches, Irish Dancing, Sword and Bayonet Exercises, High Wire feats, Balloon Ascensions, the 48th Highlanders' Band, Chesley and other Bands. Grand Concert, etc., etc. On Wednesday the 4th four horse races are billed, the purses being \$200, \$150, \$100, and \$50 respectively. DR. H. B. COLEMAN, Secy., Old Boys Association.

TRINITY GARDEN PARTY.—Success with a big S must be written of the Garden Party at the Rectory grounds on Thursday evening last. The weather was ideal, though early in the evening a spiteful little cloud fogged itself and sent a sprinkling of rain that caused a few anxious moments. However it dried up and there followed a fine starry evening for the crowds that gathered on the beautiful grounds to listen to the Bard's fine music to sip luscious ice cream, with cake, coffee and other condiments, and to enjoy a unique program of song and music. Mr Emery, of Toronto, was the feature of the evening. He is a singer and reciter of ability and his numbers, grave or gay, were warmly received and enjoyed. Besides, he was generous as to quantity, and the hearty way he entered into the spirit of the evening made him many friends. Miss Rita Irwin accompanied him and won his compliments for her ability. Her instrumental number, "Old Black Joe, with variations," was delightfully rendered and stamps her a musical artist. Miss Ada Limin favored the company with a solo which was warmly received. Attractive booths seemed to do a good business in bon bouquets, etc., and the evening wore pleasantly away the treasurers were understand having taken in over \$120.

Highest prices paid for butter and eggs at Mrs A. Beggs & Sons.

Miss J. V. Allan, Evesight Specialist, will be at Hahn House, Thursday, July 22nd, 10 hours 2 to 8 p. m.

The trustees' medal to the highest town pupil goes to Miss Susie Kelsey. Congratulations to both. These Medals and the Scholarships will be presented at the annual Commencement Exercises held in the fall months.

Mr and Mrs Geo. Yirs have the sympathy of their fellow citizens in the severe trial they are called upon to undergo, by the death of their only son on Tuesday morning. The death was unexpected and it is thought to be a case of poisoning by chewing or sucking matches that had come in his way. The child was 14 months old and a bright baby as those who have seen him enjoying the automobile can testify. He is being buried to-day, Wednesday, in Durham Cemetery.

THAT WEST.—A letter from Mr John Hewitson, Winnipeg, formerly of Lumsden, formerly of Bentinck, speaks in optimistic vein of western prospects: "Since you were here a year ago, Mr Ramage, everything is in a much more hopeful attitude, more money in circulation, people buying and exchanging more freely. The harvest promises well and is going to be earlier than usual. There has been a great deal of rain throughout Alberta, which makes it appear as if the west had no need of irrigation. Wheat promises 30 to 40 bushels, oats 90 to 130 bushels per acre. Winnipeg you would notice stands first among Canadian cities in building this year, Toronto next."

We are indebted to Mr A. C. Beaton for late Strathcona and Edmonton papers which are throbbing with the new vigorous life of the West. New railways being built and planned to the twin cities, by-law for local improvements carried, a certainty of a good crop, and many other features all betoken property. Accompanying the papers is an attractive booklet, giving information and views relating to the "University City," which, having seen last year, we are able to thoroughly enjoy. Strathcona has now 6000 population and requires a new school building almost every year. The new and imposing Collegiate Institute opened this year cost \$100,000.00. The University will cost a million dollars and will adorn a splendid site. A street car system now connects the twin cities. "Alluring Alberta."

Civic Holiday.

The Mayor has declared, Monday Aug. 2, Civic Holiday for the Town of Durham. Country friends will please take notice for business places will be closed all day, employers and employees being "free niggers" by statute do as they please.

At time of writing we hear of no concerted effort to make a town day of it, by a united picnic or otherwise.
