#### The Band Concert and Racing Carnival.

Friday last a goodly number of the citizens of the town and others near by turned out to the new rink on the occasion of the second Band Concert | pupils on Durham High School Dept, of the season. As our heading shows there was something for ear and eye, for those who delight in the "concord of sweet sounds" and for those who "take pleasure in the legs of a man," a very large number in these days of | there were only eleven which makes Marathons, even though there is high | the record of ten passing look still authority for saying that the Lord better takes no pleasure in them.

There was a 2-mile race for boys, which took them 28 times round the borders of the rink and of course at every point under the eye of the spectator. There were four entries : Harold Aljoe, Sam Levine, Geo. Kress and Edwin Search. Before the race was through, the two last named drew out, but the other two showed ing up his braces on his shoulder. Put this right next time Sammy and you may win. Harold finished quite fresh and is a fine supple sample of the Canadian boy.

There were five entries for ravages of the river at one or two this, and four of them actually stood points have been remedied and in to the end. 70 laps were necessary general the improvements are such for the five miles, a formidable undertaking, giving one an idea of the endurance necessary for a Marathon which would mean 367 times round the rink and a few yards more. The time of the winner was 29.15 minutes,

Ted Vickers, Roy Vickers, Vernon Elvidge, -- Sachs and Walter Mc-Donald entered, but the latter soon dropped out. At the start Sachs, a tall young fellow from Hanover, took for Preston Springs to take further | three fourths of a lap, but he could not, at least did not, gain more. Gradually "Ted" drew up on him and about one-third of the distance had been run overtook him and passed him amid cheering. The other two soon followed, and attention was fixed upon the leader who seemed to get Laidlaw called the laps out as they passed a point, easy when near to gether but Ted was now gaining fast and at last lapped Sachs, amid great cheering and the calling had to be carefully done. Sachs made several spurts, and some thought there might be a reserve, but when he was lapped by them all and a second time and Mr Fred Hunter, who has lately third time the race was won, Ted being first, Roy second followed by Elvidge. Elvidge made an excellent showing considering his age.

During the race and before it Durham band under leader Wright gave selections of a high order and the comparisons made between their performance now and a year ago is greatly to Mr Wright's credit.

When the races were over there was a movement to the arena from the Only a few left wings, caterer Stinson and his helpers being kept basy supplying the tempting fruit, candy, ice cream, &c. There followed a very pleasant program of classical and other music by the Hanover band engaged for the occasion and they received hearty applause for the excellence and variety of their selections. There was humor in the "Barn Dance" that caught the crowd, while in the "Grand Selection," " Bohemain Girl," there was exquisitely modulated expression seen also in the Overture "Grand National."
