The footprints of Dyspepsia have been directly traced to the Stomach nerves. When these "inside nerves" fail, indigestion and stomach distress must surely result. For this, druggists everywhere are supplying a prescription known as Dr Sloop's Restorative. First these tiny inside Stomach, Heart, and Kidney nerves fail. Then gas belching, Heart palpitation, or falling Kidneys follow. Don't drag the Stomach, or stimulate the Heart or Kidneys. That is wrong. Strengthen these failing nerves with Dr Sloop's Restorative. It is the nerves, not the organs that are calling for help. Within 48 hours after starting the Restorative treatment, you will realize the gain. A test will tell. Sold by MacFarlane & Co.

Priceville

In our hurry we mislaid one of the pages of last week's budget which made a blank when it appeared in print.

Again the Rev. Mr Berry preached a good old Presbyterian sermon in the Presbyterian church last Sunday to a crowded house of Methodists and Presbyterians being union service.

Mr Berry is a powerful preacher for a man of his years. The Rev. Mr Ottowell who some 20 years ago was on the Priceville Circuit, preached in the Presbyterian Church in the evening. The Rev. Walter Nichol, one of our own boys, will preach next Sunday and a crowded church will be assured health and weather permitting, as Mr Nichol is a young man who is hard to surpass as a speaker and preacher.

A Rev. Wilkinson somewhere east of Fiesherston, will preach in the Methodist church next Sunday at the usual hour.

Miss Rebecca Nichol is spending a while at the old home west of here with her father and mother, Mr and Mrs Nichol.

Mrs White of Toronto, is spending a while with her father and mother, Mr and Mrs Jno. McArthur, of the Glen, Glenelg.

Some correspondents have a great liking of reporting Sunday visits, while we don't approve of Sunday visiting. Some might call to see friends who do not make it a special purpose as a visit probably coming home from church or seeing a sick person.

The Garden Party held at the Methodist parsonage on the evening of the 4th inst was fairly well attended considering the evening as it threatened rain although very little of it came.

Mr and Mrs Allan McKinnon of Durham, attended the funeral of Mr McKinnon's brother, the late Jno McKinnon also Mr and Mrs Adam Weir, Mrs Weir a sister, and Councillor Weir were in attendance also.

The marriage of our late teacher Miss Ross to Mr Donald McLachlan took place at Toronto over a week ago. The young couple in the meantime is taking their abode in this place. To the young couple we extend our hearty congratulations and wish them much happiness on life's journey.

The marriage of Miss Rachel Stothard, west of town to a Mr —, whose name we did not learn, took place some time ago and the happy couple are enjoying themselves on their marriage tour to the bride's old home near here. To them we extend congratulations also.

Two pieces of Mrs John McArthur, Glen, visited for some time at Mr and Mrs McArthur's and returned to their home again in the States. One of the ladies was on the late wreck on the C. P. R. and received quite a shaking up.

A little rain this Monday morning the 9th Aug, cools the parching pasture fields to some extent.

The hay crop was fairly good with some, straw on grain crop is generally short but grain good.

Mr Arch McCuaig of Cliff Hill had of a ten acre field of clover fifty tons; forty-one loads and Arch's loads in general averages from a ton and a half to two tons when taking hay to the market. So if there is anything in Ontario that can beat that we would like to hear of it. These are facts and not exaggerated.

Mrs Bernard and family are visiting with her mother, Mrs Alex. McLean, south line, at present.

Hector McKinnon, son of postmaster McKinnon, was informed, is engaged in the old Durham Road School, Artemesia, commencing next week.

Dr McArthur is busy attending to his business extracting teeth and replacing them by new ones if required.

The heat during the last week was somewhat hard to bear although it is easier to bear than when the thermometer is down to 20 or 30 below zero.

Mr McKinnon left the land of his birth, Scotland and the Isle of Tyree with his parents and the rest of the family in the year 1850 and remained at Fergus for a year or so when the family came to Glenelg to lot 11 on 1 S. BLOOD DISEASES CURED. Drs. K. & K. Established 20 Years. NO NAMES USED WITHOUT WRITTEN CONSENT. Ho was surprised at how the sores healed. I took your New Method treatment for a serious blood disease with which I had been afflicted for twelve years. I had consulted a score of physicians, taken all kinds of blood-purifying water cures, but only got temporary relief. They would help me for a time, but after discontinuing the medicine the symptoms would break out again—running sores, blotches, rheumatism, looseness of the bowels, swellings of the glands, pains of the hands, scaling of the scalp, itching of the skin, dyspepsia, stomachic, etc. I had given up in despair when a friend advised me to consult you, as you had cured him of a similar disease 8 years ago, and I became encouraged. I continued your New Method treatment for four months and no end of that time every symptom had disappeared. I was cured 7 years ago and no signs of any disease since. My boy, three years old, is sound and healthy. I can only recommend your treatment with all my heart. You can refer any person to me privately, but you can use this testimonial as you wish. W. H. S. We treat NERVOUS DEBILITY, VARICOCELE, STRICTURE, VITAL WEAKNESS, BLOOD, SKIN and PRIVY DISEASES, URBINARY, BLADDER and KIDNEY complaints of Men and Women. READER Are you a victim? Have you lost hope? Are you intending to marry? Has your blood been diseased? Have you any weakness? Your New Method treatment will cure you. What it has done for others it will do for you. Consultation Free. No matter who has treated you, write for an honest opinion Free of Charge. Charges reasonable. Books Free—"The Golden Monitor," (Illustrated) on Diseases of Men. NO NAMES USED WITHOUT WRITTEN CONSENT. Everything confidential. Question list and cost of Home Treatment FREE.
