## The Campaign in Prospective

With elections still in the hazy distance the municipal part of Bentinck township is beginning to simmer a wee bit. Reeve Wilson it is authoritatively stated, will not stand again, but intends taking charge of a sawmill on the other side of Durham. Deputy Reeve Dodsworth has generally been considered to be in line for the big chair, but there is a rumor to the effect that he has grown rather tired of the emoluments of public office, and may throw up the whole business. When the fever gets up after a while, however, things may take on a different hue. Then there's Mark Willis, not by any means a back number, and Robert Brigham to be reckoned with. And to give a bit of history to the scene the name of Dan McDougall is mentioned, he who served the township faithfully in the capacity of tax collector for 32 years. Last to mention but perhaps not least in powers there is one William G. Hastie of Louise whose friends are asking him to stand. It's all, of course, very speculative at this stage of the game, but there's kind of a feeling that there'll be rather an interesting time across the Bentinck concessions about Christmas time.

## Must Vacate Lis Pendens

Judgment Creditor in Breach of Promise Suit Was Premature.  
An order vacating a lis pendens registered against property belonging to H. W. Leeson, in Normanby Township, Grey County, was made by the Master in Chambers yesterday morning.

The lis pendens was registered by Miss Charlotte H. Hutton, a judgment creditor of Mr Cyrus T. Leeson, a farmer of Normanby Township, for \$1,100, awarded her in a breach of promise suit for \$5,000 damages.

The judgment obtained by Miss Hutton being unsatisfied, she has launched an action for recovery, and added Mr H. W. Leeson as a co-defendant, owing to his having bought Cyrus T. Leeson's farm.

Mr Leeson's counsel applied for the order vacating the lis pendens on the ground that the registration was irregular and premature.
