Well Mr Editor as it is coming near Xmas I will endeavor to let you know what is going on in our burg.

Mr Wm Baber, our postmaster, who was on the sick list for the past week is able to be at work again.

We regret very much to hear that Mr Tom Dunn is not improving in health as well as his friends would like to see him. We hope to see him out again soon.

Mrs Jos, McNally and Miss Irene are spending a week at Mr Dave Young at Pricville.

Sorry to hear that Mr Herd Home is laid off work with blood poison in his hand.

Miss Parks of Glenroaden and sister of Allan Park, accompanied by gentlemen friends spent a pleasant evening at the home of Mr C. McArthur.

Mr Dan McLean and sister Maggie, Aberdeen, were guests of Mr J. McKechnie Saturday.

Mr Hill of Markdale, with his clover huller, threshed for Mr George Torry Thursday.

Some of the young ladies took advantage of the good sleighing last week and indulged in some happy moon light coasting. Hope snow will come again soon girls.

A Xmas tree will be held in the Glenelg Baptist church on 10 on Dec. 20th. A good programme of address, songs, recitations and dialogues are being prepared. Door open at six p. m. Come one come all. Don't forget the date.

Hopeville.

The Hopeville branch of the Ladies' Farmers' Institute was held in the house of Mrs Riddell, Sr., last week and was well attended. Eighteen ladies were in attendance and many important questions were brought up, amongst them an address and a nice present was made to Mrs (Rey.) Gibson, who was a good member and official and is now moving away from here.

The Esplan church has been painted lately and looks well.

Mr McLean, the student who spent last summer here, was here last Sunday and preached a good sermon. The people turned out well to see and hear him.

Our sick list.—William Dezell is improving and J. McArdle's broken arm is doing as well as can be expected. Another sick is Mr Neil McEachnie, Sr., who is now old and has been very healthy.

The Rev. Mr and Mrs Gibson are to move away from here this coming week to either Hamilton or Toronto. Mr Gibson while here has been a faithful pastor in his church and very friendly with other church people and he is the cause of a better Christian feeling amongst the church-going people of here. Both Mr and Mrs Gibson are highly respected and many are sorry that they are going away. They leave pleasant memories behind them and carry away many good wishes.

Stock Food

Horses are becoming very valuable and you cannot get paid as well for flesh on any other animal, as you can for flesh on the horse.

My horse was not gaining as he should for the amount of feed he was receiving, not having 1 lb. in six weeks. Then I started to feed him International Stock Food, and after feeding one 50c package, weighed him, and found that he had gained 30 lbs. in four weeks, on the same amount of feed as he had received previously.

International Stock Food is just as valuable in feeding cattle, hogs and sheep.

If your horse has distemper, there is nothing more valuable than a package of our Distemper Cure.

If your horse has a hacking cough, try some of our Heave Cure.

If your horse is itchy, try some of our Loose Kutter.

If your horse shows signs of having worms, try some of our Worm Powder.

If your horse is sore-footed, try some of our Honey Tar Foot Remedy.

There is nothing known to me as valuable for human use as Silver Pine Healing Oil for burns, bruises, sprains, scalds, sores, ulcers, all flesh wounds, external inflammation, swellings, lame back, injuries made by rusty nails, etc. Also for animal use. It cures burns, bruises, sores, all flesh wounds, hard swellings, external inflammation, sprains, bat-wire injuries, etc.
