PRACTICAL APPLICATIONS.

A Faithful Life.

I. Preach (v. 2). In winning men to

Savior. Jesus said, "Could ye not watch

with me one hour?" (Matt. 26:40). We

should watch as near friends. If we

"consider him who endured such contra-

diction of sinners against himself" (Heb.

12:3), we shall never go out into the

world and deny him and forsake him.

If we think often, "What would Jesus

do?" "What would Jesus say?" "What

would Jesus like?" faith will not decline,

hope will not grow cold, love will not

2. Watch for the Savior. "Love his

### Ancient Mines in Asia.

Most portions of Asia Minor are believed to be rich in mineral deposits Some few mines have been worked and FREE if you sell only \$3.00 proved to be highly remunerative, but most of the mineral wealth of the country remains undeveloped. According to a recent American report, the consular district of Trebizond, which embraces trust you with the cards | the northeast quarter of Asia Minor has been only superficially explored although many outcroppings of inm-Watch and also a Lovely | erals have been found, and there are many places where, at some remote pergion, or the Greeks and Romans, extracted ore. Their instruments were rude and their methods primitive. They When the child is able to sit up he rarely went far below the surface. They will be amused for hours at a time with left around their primitive diggings a piece of paraffin. Warm it thorough- quantities of ore which with modern ly, then suggest that he have a menag- | methods of extractions would be conerie, making animals for himself by sidered worth working. Copper, iron, breaking off pieces of paraffin and form- manganese, gold, silver, mercury, zinc, ing dogs, deer, elephants. Another time antimony, arsenic, coal and petroleum let him make a toy tea set, moulding it | are known to exist in this district, but

Science.

"What do you do for a living?" "I'm a farmer." "Oh! A scientific, up-to-date farmer?" "Am I? Say, I pasteurize my milk-

The avaricious man is always in want.

IS USED BY THE BEST BAKERS, CATERERS AND HOME COOKS, AS WELL AS BY THE LARGE STEAMSHIP AND RAILROAD COM-PANIES, AND IS PREFERRED TO ANY OTHER.
