The Fastest Pacers in the World

The above cut shows the fastest pair of Pacers in the world. No wonder they are fast for they are fed International Stock Food three times per day.

The most valuable pair of Carriage Horses in South Grey last year were fed International Stock Food three times per day.

I would advise every farmes in this locality to get wise, and feed International Stock Food to his horses and cattle, when he will be able to sell his Stock for the highest figure, and greatly increase his bank account
