ANOTHER CASE FOR MATTHEW.—When the C. P. R. train came in on Wednesday night, Inspector Beckett happened to be at the station and his eye fell on a case strongly resembling whiskey. Somehow it didn't look just right to him, there was something queer about the address and he was considering whether he should take it under his protection when along came a young chap apparently about seventeen years old, and claimed the case. A few questions convinced the Inspector that the applicant was merely a deputy for someone else, so the case was promptly impounded and taken to the Inspector's store room. There it now lies, in company with the rest of the "orphans" and the owner may have it on proving property. It is "G. and W. Special."—Advertiser.

On Friday night, Jan. 24, the Y. P. C. A. of Trinity Church had a social in the basement of the church which was prettily decorated with bunting. Mr Wm. Scarf was chairman and gave a short account of a Quaker meeting he attended the Sunday before and spoke of friendliness and welcome they gave strangers, which should be copied by other churches. Misses Vollett and Meredith gave a couple of piano duets which were well rendered. Rev. Mr Hartley and Miss Cory gave two splendid readings. A vocal duet by Miss Meredith and Mr Stedman, a couple of trios by Miss Meredith, Mr Stedman and Rev. Mr Hartley were rendered in their usual excellent style. Rev. Mr and Mrs Hartley gave high class duets on violin and piano, which was much appreciated by the audience. Mr Jas. Lloyd, on his gramophone, gave some very good selections. Mr Stedman and Mr Frank Irwin gave solos in clear voices, which were numbered with the best of the evening. Light refreshments were then served and social chat ended by the singing of the National Anthem closed a pleasant evening. Over 50 were present though this is the first of many socials which they expect to have.

When all others fail Carr's Cough Cure will give relief. 50c a bottle at MacFarlane's.

The young people of the Baptist Church held an 'Old Rubber' social on Tuesday evening. The affair was a decided success. The admission charged was a pound of old rubber or 10c. About 380 lbs of rubber and nearly \$5 in cash was taken in and at the prices quoted this should equal nearly \$40. Two prizes were given for those bringing the most rubber: the first being a large box of chocolates donated by Mrs Calder, was won by Eddie Hilderbrandt who brought 125 pounds; the second a smaller box of chocolates, won by Miss Rita McComb, who brought 72 pounds. A program of music, recitations, dialogues and speeches was followed by a light lunch of cake and coffee. Mr J. A. Graham acted as chairman.

### Blanked the Cement Team.

The Clerks continued their dizzy pace in the second game of the town hockey league Wednesday night, this time the Cement team falling under 7-0. Though a goal more, the game was harder fought than that of a week previous, and the Cement boys were on play, entitled to a much easier score. The game again proved however, that a young team fairly evenly balanced and all with a year or so experience as, the Clerks, has the edge on teams with perhaps one or two stars, and the balance practically beginners. Either the Factory and Cement team will take their first match when they meet this Wednesday. At present it looks anybody's game and an exciting one. The standing:

|               |     |   |            |
|---------------|-----|---|------------|
| Clerks        | won | 2 | at to play |
| Factory       | 2   | 2 |            |
| Furn. Factory | 6   | 3 |            |
| Cement Works  | 0   | 3 |            |

### Durham Presbyterian Church

Has a Good Year.

One of the most interesting days in the Presbyterian calendar is the Annual Meeting of the congregation, when, accompanied by social features a kind of Stock-taking takes place and plans laid for a new start in the year ahead.

Last year, there was a slight shrinkage in the contributions which must have roused the membership to thought and action, for this year the finances are on the right side even though some arrears from 1911 had to be met.

This gratifying condition of affairs has not been at the expense of Missionary effort for the Missionary funds have increased also, though the sum is yet below what the Presbytery allocation asks for. However a missionary spirit is developing that before long will show greater things and prove true the truth that "there is that giveth and yet increaseth."

The activities of the ladies have been most marked in the year lately closed. Both the Home and Foreign Mission Societies show progress, but all records have been passed by the "Ladies Aid," which raised from Bazaar and other sources of individual effort a sum of \$414.00, a goodly share of which has been applied to renovation of church furniture, etc, and schemes laid for future buttressing of the church in both temporal and Spiritual things.

The Knox College Students' Missionary Society, supported wholly by ladies, reached a higher total than ever in contributions. The Guild and Mission Band are other organizations which did creditable work during the year, reacting we are sure to the spiritual benefit of the workers.

The Session Report shows a gain of 31 in membership during the year, removals by death and otherwise 22, leaving the number on the roll at 350. There were 5 marriages and 13 baptisms during 1912. The session has oversight over the Sunday Schools of which four report annually. These are Durham with 103 on the roll, Union S. S. No. 9, Glencol, with an average attendance of 55, Edge Hill Union S. S. with 24 on the roll, and South Bentinck with 26.

The organ and accessories cost approximately \$2000. This has been reduced to \$550 and it is expected that this year a substantial reduction will be made.

The contributions for all purposes totalled \$3263, an amount about \$400 greater than last year.

The Trustees of the church are elected every five years, and this being the year of election, the old Board consisting of Messrs John Weir, Wm. Smith and Jas. Calvert were re-elected. Messrs J. C. Adams and J. H. Coleridge were added to Missionary Committee in place of John Bell, W. J. Adams, deceased. The four new managers are J. R. Gun and R. McFadden (re-appointed), S. Hughes and Dr. D. B. Jamieson. Mr J. C. Adams was appointed to complete his brother's term.

### The Roll Call.

REGISTRAR THOS. LAUDER,  
Saturday evening last, Jan. 25, 1913, about 6 p. m. the above gentleman breathed his last. For a year or two back his health has not allowed him to leave the home of his son, Mr A. W. H. Lauder, deputy registrar, but though not in the public eye for some time his removal from this sphere is felt by all citizens as the end of a useful life.

He was appointed to the position of Registrar of the South Riding of Grey in 1871, when the Sanfield McDonald government was in power, his brother Abraham at the time being member for South Grey in the Legislature. Since that time, four years after Confederation, he has been continuously in office, the active duties of the position for a good many years being performed by his son. He had reached the patriarchal age of 81 years, two months, seventeen days and survived his wife by twenty years. His death removes the last but one of the Lauder family of eleven members, the survivor being Joseph, now in Kamloops, British Columbia.

Mr Lauder was born at Bewcastle, Cumberland County, England, being a son of Thos. Lauder and Elizabeth Forrester. He came to Canada in 1851 and engaged in a business at Port Colborne till 1856. Here he obtained a wife a Miss Susan Grabbell, who died very suddenly in May, 1893. In 1856 the move was made to Glencol near Bunnessan, where he conducted a farm till his appointment to the Registrarship in 1871.

His family surviving, consists of three sons and four daughters. Thos. G., farmer, on the outskirts of Durham, Dr. Edward S., Physician and Eye and Ear Specialist of Cleveland, and A. W. H. Lauder, the well-known deputy-registrar, at whose home the deceased was kindly ministered to during his declining years. The daughters are Mrs W. J. Young, Durham, Mrs R. S. Mandell, of Derby Tp, Mrs Arch. Little, Disley, Sask., and Mrs J. J. Haslett, Winnipeg. A daughter deceased was Mrs Jas. Davidson.

The deceased was genial and kindly in disposition, devoted to his family who loved him in return and made his declining years pass pleasantly. All his adult life he was a member of the Presbyterian Church of which he was a staunch and worthy member. For many years he was Secy. of the congregation and was elected to the eldership. Seldom or never when in health was he absent from the services and no more reverent or devout worshipper could be found.

He was interred in Durham cemetery on Tuesday, many friends paying the last tribute. Rev Dr Farquharson spoke impressively, reminding the company that God revealed his character not only in the regularity of nature as seen in the seasons, in day and night, &c, not only in revelations of himself to holy men of old, but also in the lives and character of such men as the deceased and whose example should be profitable to those left behind. The pall bearers were his three sons and Jas R. Gun, Wm J. Young, Wm Lauder.

### Grey Co. Board of Agriculture

The Grey County Board of Agriculture met in the office of the Department of Agriculture in Markdale on Saturday, Jan. 25. After the election of T. A. Binnie to the chair and L. Boves as Sec. of the meeting the reports of the different Farmers' Clubs in the county were heard. These reports showed that the different clubs are doing good work in the county and that the farmers are working together for their own best interests. For the interest of the people of South Grey it may be well to note that the Glencol Centre Club had the largest membership and held the largest number of meetings during the year.

In the afternoon a constitution was adopted for the use of the different clubs in the county and addresses were given by J. F. Perdue on Advertising the county and H. C. Duff on Co-operation. They were excellent addresses and the discussions brought out some lively passages. On advertising Mr Perdue said that we should try and overcome the poor estimation which people in other countries have of Grey. They think of it as a cold barren county and laugh when we say that we can grow the best apples, stock and crops of any county in Ontario. Our aim should be to exhibit at the large shows and show what we can do. Then use printer's ink to tell what we have shown and grown.

On Co-operation Mr Duff spoke of the advantages of buying and selling together and also according to quality. He also mentioned many other benefits from working together.

The Board passed a resolution asking for the removal of the duties from the traction ditchers coming into Canada. There are many lands that need draining in Ontario and in this

county and as these machines are not made in Canada their numbers in use are small. A committee was also named to wait on the County council asking them to invest three hundred dollars for putting on an exhibit of fruit at the Toronto Flower, Fruit and Honey Show and as prizes for the best fed live stock from the county shown at the Winter Fair in Guelph. It was felt that this would increase the value of the county farms and give the county a greater assessment to raise the county money from.

The executive elected for 1913 were L. Boves, chairman; H. C. Duff, Sec. Treas.; Messrs Shore, Binnie and McKenzie.

### Glencol Girl Weds in Alberta.

RITCHIE—BEATON.  
The Edmonton Bulletin of 18th inst. has the following account of the wedding of a former Glencol girl to a young man named Ritchie, though no relation of the family of the bride's mother. The REVIEW extends hearty congratulations to the winsome bride.

An event of more than usual interest took place Thursday night at First Baptist church, South Side, when Margaret Cameron, daughter of Mr and Mrs Alex C. Beaton, was united in marriage to Mr Harold O. Ritchie. The church, which was tastefully decorated for the occasion, was filled with friends of the contracting parties, both of whom are very popular in social circles. Rev. Holland R. McGill was the officiating clergyman. The bride entered the church on her father's arm and looked lovely in her bridal gown of white satin, the skirt of which was made of tulle and draped with white nixon. The bodice was trimmed with rose point lace and tiny silk rose buds.

The bride's veil was caught with lilacs of the valley and she carried a bouquet of bride's roses, also wearing a handsome necklace of peridots and pearls, the gift of the groom. The bridesmaid, Miss Annie Beaton, wore pale blue charmeuse satin, with overdress of nixon in the same shade, trimmings of crystal embroidery with black velvet hat with white spray and pale blue marabout trimmings. She carried pink roses. The bride's mother wore a gown of grey satin, with persian and rich lace trimmings, and black velvet plumed hat.

The groom's mother, Mrs Robert Ritchie, wore rich black satin and mauve hat. Mrs W. Ritchie, cousin of the bride, played the wedding march. Mr A. G. Baalun, of Calgary, was best man. The ushers were Dr. P. B. McNally and Mr Charles H. Grant. The groom's gift to the bride's maid was pearl and sapphire ear drops; to the best man, pearl cuff links and to the ushers, pearl tie pins.

After the ceremony supper was served at the bride's home, about forty guests being present. The tea table centred by the huge wedding cake, was done in pink and white carnations and pink shaded cardies. The bride's going away gown was navy blue tailored suit, with black hat and black fox fur. Mr and Mrs Ritchie left on the midnight train for Los Angeles where they will spend the remainder of the winter.

PANSIES IN JANUARY.—Rev Dr Farquharson on a recent thawing day found a pair of pansies prospecting in the open air and looking for company. We are afraid their temerity will be their punishment, but we mention the incident to make our California friends envious after that frost which destroyed their orange crop.

### The New Warden.

Friday last, Dr. Mearns of Hanover was elected to the Wardenship of the County of Grey for 1913. The strenuous campaign the Dr. put up has borne fruit and Hanover again has the honor of being represented by the Warden.

That Dr. Mearns will make good goes without saying. He has abundant energy and a knowledge of municipal affairs that will stand him in good stead.

### Farmers' Institute in Priceville.

Friday last a district meeting of B. Grey Farmers' Institute was held in Priceville with a fair attendance, afternoon and evening. The government representatives present were Mr Clark Hamilton and Mrs Norman, Toronto and both were capable and interesting speakers.

Mr Wm Aldcorn occupied the chair at the evening meeting and in addition to the speakers named addresses were given by Mr. C. G. James and Mr T H Binnie. Mr James was pleased that Priceville was coming into its own in the matter of Institutes as the importance of the district justified. Mr Binnie spoke on the benefit of the Farmers' Clubs and the methods of organization and operation.

We have not been able to get a full report but the meeting was a decidedly successful one.
