#### It Pays to Advertise.

"Advertising our county will assist in making the unworked tarm pay its just share of the taxes and not leave the greater portion of the burden on the better land," said President T. H. Binnie at the meeting of the Glenelg Centre Farmers' Club on Feb. 3rd. He went on to show that while the total increase in value in land, imple- ton Alliance have issued their Annuments, live stock and buildings for the al Call for a Convention in Massey county had increased only \$3.28 per Union Hall on Wednesday and acre in four years the county of Prince Edward had increased in the same time to the extent of \$6.63 per acre. At the same time the county of Bruce had increased in the same four to the tune of \$3.06 per acre while Lambton county had increased to the extent of the terrible evil of the licensed li- by the discovery of the bodies by an- McCannel eq. Pt 2nd -Jennie Mc Postmaster to move the post office to \$12.04 per acre. Now the counties of quor traffic. Grey and Bruce do not advertise but the counties of Prince Edward and Lambton do and they show what can be done by proper advertising. He then spoke of the best manner in Ramage are appointed to represent survivors dependent on them did not ton and Eoy Williams eq. 18400,000 TO BE EXPENDED BY WEL-L'NGTON COUNTY ON GOOD ROADS .-By a vote of 14 to 7 Wellington County Council has decided to inaugurate good road scheme which, with the government grant, will mean the ex penditure of \$500,000 on good roads This will mean the addition to the present system of 100 miles of roadway-building to the principal market cuires, the county's share of \$400,000 to be spread over such a number o ears as may be deemed advisable. Out of a total sum of \$400,000 it is estimated that the sum of \$50.000 must be set aside to complete the construc tion of all the bridges on the proposed increased county roads system with recommends from all over Canada, from people increased county roads system with who have used our goods. No farmer should be permanent structures, the balance of \$350,000 to be available for the per palities, based on the equalized assets

### Civic Enterprise

Town Council would like business stables. and professional men of the town to use for their correspondence envelopes with an advertisement for the town printed on the back. The printing offices of the town have been author- to ized to do such printing free of cost to the users, the town council paying therefor. Any business man who has a stock of his regular envelopes on hand is requested to bring them in, get the back printed and help advertise the town at once. If out ofen. velopes we would be glad to quote you prices as we can supply you large or small quantities of good, medium or common lines at reasonable prices
