ter?" she went on, pacing her boudoir excitedly. "Why, I have read of men leaving their brides at the very altar! Yes, one must marry them quick to be even half sure of them." Suddenly a brilliant idea occurred to Evelyn St. Claire. She had known the old banker and his wife well, when they used to visit years before at Redstone Hall.

Why not go to the city and pay them a short visit, with the clever object in view of seeing this pretty girl for her-self, and giving her to understand she was not to fall in love with the fair-haired, handsome hero of the park adven-ture, for he was already betrothed to

with jealousy as she read it and she ground her teeth with impotent rage.
"It would be just like him to fall in love with that girl," she muttered, "and

I should have just such a time in sep-arating them as I had with that miserable

Gay Esterbrook, with her pretty gypsyish face and baby ways.
"What's a betrothal to me, now-a-days
or marriage, either, as for that mat-

"I will see this girl before Percy does," she concluded triumphantly, "and pre-vent anything like an attachment from springing up between them."

The next afternoon a ceach stopped before Eanker Remington's palatial home, a tall, elegant blonde, robed in violet silk and in the very height of fashion, emerged from it and ran lightly up the marble steps, and touched the silver bell.

She handed her card to the servant who approved the summons, requested to see

CHAPTER XXV.

A moment later there was a swift, hur

The footsteps ceased abruptly as they reached the drawing-room door; a little white hand drew aside the amber plush hangings, and a slender girlish figure stood in the doorway.

Evelyn turned around; then the smile on her blonde face changed into an expression of the greatest terror. She sprung to her feet with a hoarse
