## Give your Boy a Farm

Every Farmer wants to provide for his sons, but seldom will the old homestead, developed with toil, suffice to meet their needs. The boys have been brought up to the land. They are familiar with all the phases of farming. They should have land of their own. How is the farmers to meet this emergency?

The Logical Answer is Western Canada Thousands of acres divided into 160 acre farms are being thrown

open for entry by the Dominion Government along or near the line

Canadian Northern Railway The land gives a wide choice. There are some plots on the

open prairie and others again in the well wooded, well watered Manitoba, Saskatchewan and Alberta

A large number of these homesteads are particularly adapted to mixed farming.

Write or Enquire To-day Any agent of the Canadian Northern Railway or the undersigned will be glad to send on application full information as to the location of these homesteads and the way to secure them.

# Where Do You

Do you shop in a brisk, active store, or in a dull store?

Advertising makes bright stores. Failure to advertise goes hand in hand with dullness and stagnation.

Advertising brushes away cobwebs and dust, smartens shop windows, quickens the intelligence of salesmen, and lets in the sunlight.

Advertising makes the merchant think of youof your wants and needs ; makes him anxious to serve you to your liking and advantage.

Advertising keeps stock from having birthdays.

Advertising acquaints you with new things, and so brightens your home, your life, your person.

Advertising keeps business from growing lazy and stupid. Advertising injects good, red blood into the arteries of a business, and keeps it healthful and active.

Shop where your wants and needs are uppermost in the mind of the merchant. Shop in the store which reflects you, which you dominate. Shop where your money returns to you in better goods, better values, better service.

Shun the shop that is dumb and dark and dreary keep away from the shop that never speaks to you. never smiles at you, never bothers about you.

Reward by your custom the merchant who lives to serve you and who is doing his utmost to build up this community; who takes you into his confidence by means of advertisements in your local newspapers.

Smile back at the shop which smiles at you Shake hands with it- keep company with it -your favor will be returned to you tenfold.

Advice regarding your advertising problems is available through any recognized Canadian advertising Agency, or, the Secretary of the Candian Press Association, Room 503. Lumsden Building, Toronto. Enquiry involves no obligation on your part-so write if interested.
