First, we represent one of the largest Wholesale Houses in Canada. We buy everything at first cost, and get in on the ground floor. Mr Jas Snell was in Toronto last week.

Mr Jno Morrison visited his home at Maxwell over Sunday.

It is with regret we have to report the death of Councilor Alex Gillespie after a severe illness of some weeks. He was called by his Maker to his happy resting place early Sunday morning. Everything possible was done to restore his health but our heavenly Father's will must be done and we extend to Mrs Gillespie and family of six daughters and two sons who remain to mourn his loss our sincerest sympathy. The funeral will be held Tuesday, 12 o'clock to Mt. Forest cemetery.

South Bend

We received a letter from Mrs John Hunt, dated Calgary, March 24th. Her many friends will be pleased to hear she arrived safely at her destination and is comfortably settled in her new home.

Mr Leilar has started a grocery store there. We wish him success.

Mr Edwin Gardner delivered a number of fat cattle in Holstein recently and Mr Eurig on Monday of last week delivered a drove of ten in Mount Forest. The Bend can do it.

The auto house on the Model Farm is on its feet again, but the auto has not arrived yet. John says he has a catalogue.

We are sorry the government refused the franchise to women. They should have a right to vote on questions of social reform local option, for example. The liquor traffic would be swept from the land if women had the right to vote.

The Roll Call.

MRS. JOHN MCARTHUR

On Monday evening, April 14th, at 8 o'clock, there passed away from our midst one of the best respected and beloved wives and mothers of this community in the person of Mrs. Jno. McArthur of the 12th of Egremont. For some months she had been in failing health and thinking a change of climate might effect a cure she took a trip to Manitoba. This was only a temporary help for soon after her return rapid decline followed which culminated in her death. She was 46 years of age and the eldest daughter of the late Mr. John and Mrs Calder of Egremont. She is survived by 5 brothers and 3 sisters; Mr Neil Calder, Lipton, Sask.; Robt. Calder, Conn; Wm Calder, Texas; Mrs John Marshall, Normanby; Alex Calder of the 14th, Egremont; Mrs. Geo Parker, Elm Creek, Man.; Duncan Calder, Nunn, Colorado; Miss Isabella Calder, Buffalo. Twenty five years ago she was married to Mr John McArthur, ex-reeve of the township of Egremont, and leaves a large family to mourn her loss. She has been an active worker in Fairbairn Pres. Church where she will be missed for her loving sympathetic help in all branches of work.

The family consists of Mrs. Chas. Yates, William, Belle, Robert, Gordon, Murray, Donald, Ronald and Margaret. To the bereaved husband and family the sympathy of the community is extended. The funeral will leave the house, 12th con., on Thursday at 1 o'clock to Woodland cemetery, her pastor, Rev. Mr. Malcolm officiating.

ALEXANDER GILLESPIE

In the death of Mr Alexander Gillespie, the township of Proton has lost one of its most valued and respected citizens. About two months ago, he was seized with la grippe, which caused his death last Sunday morning at 6 o'clock.

He was of Scotch extraction, being the second son of John Gillespie and Mary McKenzie, who came to this country about three score years ago from the Island of Islay, Argyleshire, Scotland, and settled in Proton near Cedarville. Their son Alex. received a liberal education and took a great interest in all matters municipal and political, as well as an active part in the church to which he belonged. He taught school for many years in Proton and Egremont. In politics he was a staunch reformer and for years was a township official, being a member of Proton Council as well as auditor, in which capacity he had special ability.

About twenty-five years ago he married Miss Scott, daughter of Mr George Scott of Proton, who with their two sons and six daughters survive him. The family consist of John, Mary, Lillian Katherine, Janet, Georgina, Willie and Ruth. One brother Wm. Geo. Gillespie of Proton, also survives him. To the bereaved wife and family a large community of sorrowing friends extend heartfelt sympathy.

The funeral was held Tuesday at 12 o'clock from his late residence, 8th con. Proton, to Mt Forest cemetery, Rev Mr Malcolm officiating.

The Late John Calder

On Thursday, the 10th inst. Mr. John Calder of "Glencarnock" Farm lot 21 con 13, Township of Egremont passed peacefully away after a lingering illness of more than a year at the ripe age of 82 yrs 7 mos. The deceased being a man of the most peaceful disposition will be mourned alike by his bereaved partner in life, his family and the surrounding friends and neighbors.

Mr Calder was born in the parish of Oa, Island of Islay, Scotland in the year 1831 and emigrated to this country in 1853. He purchased lots 21 and 22 from the crown in 1854 and began to hew for himself a home in what was then known as the Queen's bush, nearly sixty years ago. He resided on his farm continuously until the end of his life leaving as a memorial to his industry a well kept farm.

His partner in life (nee Miss Tamer Ann Morrison) to whom he was married in 1860 still survives. To them were born thirteen children of whom nine are still living: Neil and Mrs. George Parker in the West, Robert of West Luther; Catharine, Mrs Jno. McArthur, Egremont; Annie Mrs Jno Marshall, Normanby; Duncan in Colorado; Isabella of Buffalo, N Y; William and Alexander at home.

Thirty grandchildren live to bless the memory of their departed grandfather. Mr Calder is survived by one sister Mrs Norman McLeod Mt Forest, and three brothers, James of Egremont, Alex and Archibald of Arthur Tp.

The funeral took place on Saturday 12th inst to Mt Forest cemetery followed by a large number of sorrowing friends and neighbors. Rev. Jas. Malcolm conducted the services. The pall bearers were two sons in law John Marshall and Alex McLean and four old neighbors, John Fairbairn, Chas McInnes, Arch McEachern, Alex McGillivray.

GOATS—The Dominion Dept of Agriculture is having numerous enquiries as to where it is possible to purchase Angora or milch goats. From which it would appear that a demand for these animals is springing up. If interested, address: Live Stock Commissioner, Ottawa. Such letters go free.

A Lot For a Little.

We are pleased to announce that we have made arrangements with The Mail and Empire whereby we are able to offer our own paper and "The Daily Mail and Empire"—By Mail Only—from now to January 1st, 1914, for \$2.50 or our own paper and "The Weekly Mail and Empire" for the same period—By Mail Only—for 85c.

This is a rare opportunity for two good newspapers at very little beyond the price of one, as The Mail and Empire is generally conceded to be without a peer in the Dominion, and we think it will be admitted that no local paper in this district is more devoted to the interests of its people than the REVIEW.

Mrs Bruce and her sister, Mrs Drimmie, who has been spending the winter with her, have been visiting friends at Atwood for a few days.

It is reported that several horses belonging to Richard Irwin narrowly escaped being killed by the freight train Tuesday morning.

During the last week the angel of death has been visiting this community, when Mr Calder, Sr., was called away after a lingering illness. His daughter, Mrs John McArthur, survived him but a few days, when she too answered the summons, having been ill for many months.

Miss Minnie Kerr was in our burg this week.

Old friends of Dr. Arthur I. Brown in Holstein district will be pleased to know that he has secured the highest surgical degree possible, and is now entitled to write F. R. C. S. after his name. He has secured this after stiff course in Edinburgh and London. He expects to leave England about midsummer and will spend a few weeks in New York and Chicago before settling. Read his letter on page 5 of this issue.

An exciting episode was witnessed on our streets on Tuesday morning, when the spirited team driven by Mr McArthur, broke loose and bolted down the road. Becoming frightened at the cement mixer, they reared and as they sprang forward, both whiffletrees gave way, freeing the team. The rig was dragged some little distance to the sidewalk uninjured. Mr McArthur soon got the frightened horses again and after some repairs were made they were again hitched and driven away.
