**Rev. T. A. Rodger,** pastor of Knox church, Owen Sound, for about six years, has received a unanimous call to Cowan Ave. Presbyterian church, Toronto, to succeed Rev. Mr. McDonald, who resigned to accept an editorial position on the Presbyterian Westminster publications.

**Mr. A. E. Trout** of Owen Sound, has resigned after 23 years of continuous service as assistant postmaster to take up the work of Agent Inspector for the Children's Aid Society in Gray County which was up to recently in charge of the late Mrs. J. E. Ledard and Mr. M. K. Richardson of Flesher-ton who was recently appointed to the Registrarship of South Grey.

**THE NEW MANUFACTURING** activities round the new manufacturing establishment of C. J. Farber & Co. on Queen Street are fast bringing the machinery into shape and before many days actual manufacturing will take place. We hope the season will prove auspicious and it is encouraging to know that orders have already been booked.

**The Southland Serenaders,** a colored troupe composed of six, two ladies and four gentlemen were on hand in the Presbyterian Church Monday night and pleased the audience, which was not large with a varied number of melodies. The outstanding member of the troupe was the basso who has a powerful and deep voice and is up in eloquence as well. The proceeds amounted to \$32 which leaves little to the organ fund after expenses are paid.

**NORTH GREY DRY.**—Meaford failed to carry Local Option by a fraction of a vote, but Provincial Secy. Hon. W. J. Hanna has ordered no licenses to be issued. A three months extension is granted to get rid of stock on hand, and after that there will not be a single license in North Grey to sell liquor. Of course there is grumbling and one man has some reason, having just bought a hotel thinking the by-law dead. It appears that numerous signed petitions from farmers were sent to Mr. Hanna urging no license, and these may have induced the minister to act as he has done.

We received the other day a copy of the Daily Evening Empire, "the first and leading newspaper in Northern British Columbia" now in its seventh volume. Among the news featured on first page is an account of monstrous blasting operations being carried on by Archie McDougall, contractor on the G.T.R. Mr. McDougall is known here, is a brother of Mrs. Don. Campbell, Swinton Park and brother-in-law to Mr. John Turnbull, late of Beatinck, now at Prince Rupert. A rock pile, tunnelled and stuffed with 1000 kegs of gunpowder and 100 boxes of dynamite should make somewhat of a "display" as the paper calls it. They are preparing yards in the vicinity of the big dry dock.

**WILL VISIT GREY COUNTY SCHOOLS.**—Mr. A. M. McDermott has been appointed by the Dept. of Agriculture to visit the rural schools of Grey County and the adjacent district in the capacity of "field agent." While the first duty of these field agents is to visit inspect and report upon the schools, undertaking to give systematic instruction in agriculture and thus qualify for special grants, they are free to give their services as far as possible wherever and in whatever way the improvement of the country schools or of country school studies leads them. They will co-operate with inspectors and agricultural representatives in their work wherever possible and, as time and circumstances permit, call on these or arrange with them for visiting schools together.

S. F. Morlock is offering great reductions in millinery this week.

**ACCOUNTS.**—All accounts due to the estate of Thos. McGrath are payable at the shoe store on or before June 1st, 1913, after which date they will be placed in other hands for collection. Last Notice.

**MICHAEL McGRATH.**

**SINGLE FARE FOR VICTORIA DAY.**—The Grand Trunk Railway System will issue round trip tickets at Single Fare between all stations in Canada east of Port Arthur, also to Detroit and Port Huron, Mich., Buffalo, Niagara Falls, Black Rock and Suspension Bridge, N. Y. Good going Friday and Saturday, May 23 and 24, valid returning until Tuesday, May 27, 1913. Tickets and full information from Grand Trunk Agents.

The world's greatest descriptive organist Gatty Sellars of the Queen's Hall London Eng. Concerts plays at the Presbyterian Church Monday next and from reports from neighboring cities, his performance such of descriptive pieces as his "Storm at Sea" and the "Russian Patrol" will come as a revelation, these effects being described by the world's press as the finest ever heard. The performance of the Coronation Music with Cathedral Chimes from the Queen's Hall London Eng. will be a special feature. Secure ticket early at 25 cents to avoid disappointment as the world-famed Organist's performances have attracted the largest audiences on record in many of the larger cities.

**A THRILLING RUNAWAY.**—A ripple of excitement was created on Sunday evening, just after church services were over. Spence Hopkins and Miss Donnelly of Beatinck were leaving for home when their horse became frightened by an auto near E. A. Rowe's. It tore north up front street, and crashed into a rig at the main corner, twisting the hind axle back. Mr Hopkins hung on but the animal took the side of the street, and bumped the rig against the cement crossing in front of McKeech's store, which being considerably higher than the ditch, smashed the front wheel. With buggy disabled and some harness broken, the horse here broke loose and the whirlwind ride came to a sudden stop, both occupants being thrown out. Mr Hopkins kept possession of the lines and held the animal, but was not in the least injured, while Miss Donnelly also escaped, with only a slight scratch.

**A Kindly Gift Acknowledged.**

On Monday of this week, Messrs Grant and Campbell called at the manse and on behalf of a number of friends in the congregation, presented Dr. Farquharson with a purse of gold, expressive of their sympathy with him in his present illness, and of their desire that means should not be lacking for the prosecution of his efforts towards recovery.

Dr. Farquharson acknowledges with sincere thanks the kindness manifested by this gift which he appreciates all the more, as it is one of a series of continued acts of kindness and expressions of good will which he has received not only from members of his congregation, but from the citizens of Durham generally.

He regrets very much the long continued illness that has laid him aside from active service, but trusts that under God he may be speedily restored to his wonted health and strength and enabled to resume his accustomed work.

WM. B. VOLLET, Clerk.

**The Roll Call**

**WILLIAM GEORGE JACKSON**

On Tuesday last in Chicago this well known gentleman passed away having passed by several years the three score and ten limit of the Psalmist. His son Mr. A. H. Jackson hurried to his side when he learned of his illness, but would barely get there in time to see him alive. The remains are being brought to Durham and will be interred beside his kindred in Trinity Church cemetery. Those who knew early Durham will look with regret on the passing of "Willie George" as the breaking of another link with the past. We have no other particulars at this writing.

**Mrs Wm. Banks**

Last Saturday there passed away on the 6th con., Glenelg (Zion) an old pioneer in the person of Mrs Wm. Banks at the ripe age of 82 years. She was born in England in the year 1831 and coming to this country first settled at Laurel in Amaranth Tp., where she and Mr. Banks underwent all the trials and hardships incidental to pioneer life and coming on to the present homestead, where they have lived for the past 35 years.

She was an exemplary lady and was held in the highest esteem by all who came in contact with her. She suffered the loss of her husband a year and a half ago and brother, Mr. Richard Banks, of Edge Hill, about the same time. She has two remaining brothers, Robert from the States at present visiting here and —, also in Illinois and a sister Mrs Brown in the Northwest.

She has four children left to cherish her memory: Wm. in the West, James at home, Martha, Mrs Thos. Smith nearby and Miss Bessie, also at home.

The funeral was held Monday to Zion cemetery, the services being conducted by her pastor, Rev. Mr. Prudham.

**LETTER BOXES PLACED IN TOWN.**

Fifteen letter boxes for posting mail matter in have been placed in position here and two more boxes are yet to be installed to complete the service, when we will have the distinction of being one of the best accommodated centres in respect to mailing facilities in this part of the Province. Dear Durhamite, this is not Durham, but Walkerton, that is thus favored and it is exasperating to think that Durham has not got its first box yet. What's the matter? The country is getting rural mail delivery, other towns have boxes or letter delivery, but Durham is still in the same old rut and hundreds of citizens have to trot to the post office when one man might do the work. We would urge upon Mr. R. J. Ball, M. P., to stir up the Post Office authorities and let them know that there is such a place as Durham. Collections in Walkerton are made at 11.30 a. m. and 9.30 p. m. and the 15 boxes are collected in an hour, the distance covered being 4 1/2 miles.

He has taken a position with the Iron Works at Saab Ste Marie for the summer.

Rev. Dr. Smith, formerly of Comber Ont., filled the Presbyterian pulpit on Sunday last for Rev. Dr. Farquharson. Both his sermons were of a direct practical nature, a spade was called a spade and few there must have been who did not feel shaken up by the earnest gospel appeals to activity in the Christian life. For six months past Dr. Smith has been doing evangelistic work for the church in the west and lately has been called to a charge near Gorrie, where he is to be inducted on Friday of this week.
