## Women's Institute.

The Women's Institute held their annual district meeting last Thursday in the Town Hall, with but a small attendance and not one delegate present from the various branches to report. Mrs Blyth, of Varney, who is the new President-elect of this district, gave a fine report of the Durham branch and Mrs McGirr, the efficient Secretary, read the various reports sent in for the government by the Secretaries of the different branches. All but one or two report progress.

Dromore has 35 members, had 9 meetings with an attendance of 234 and 21 papers read—\$51.60 funds in hands. Holstein has 32 members, had 12 meetings with an attendance of 184 and 11 papers prepared and read—\$11.00 funds on hands.

Durham branch held ten meetings during the year with a total attendance of 444. Twenty papers and addresses were given and a debate was held at the girls' meeting in August, which was very interesting, 62 being present at that meeting.

Over 90 attended the At Home in the Town Hall, Durham, in March and a most enjoyable time was spent. Rev. Mr Prudham spoke on "Good Citizenship" and gave some splendid thoughts on that line. We also had the pleasure of having the Rev. Mr Kendall at our Sept. meeting and it is needless to say that their addresses were splendid and will long be remembered by those present.

Dr. Grant, of Durham, gave an excellent paper at the Dec. meeting on the "Care of the Teeth." The Executive and programme committee were greatly pleased that the members willingly took the papers assigned to them. There was not a poor paper read during the whole year. All were worth hearing.

A concert was held in the fall and over \$37 was made at it and \$10 was made at the demonstration lecture by Miss McPhee.

Xmas gifts were given to each of the editors and flowers were sent to the sick and \$12 was given to the fund for the Sanatorium in Toronto. Our expenses during the year were \$31.98 and we still have cash on hand \$60.00.

Inauguration of Grand Trunk Lake and Rail Route Service between East and West Canada.
