On the other side of If You are Not Too Lazy the road John Ellison Jr was preparing the timber for an addition to his barn, so it doesn't look as if the crops were going to be short this year. It was a good act of the Government in pioneer days away back when they abolished assessing stock as it caused a great deal of the truth told since. As for instance a man having one span of horses, (if unfortunate ones whose lot was cast would be taken in for \$100, and often on poor farms are obliged to stay er stock could be taken in another \$100
