At Trinity Church last Sunday 12 boys and 9 girls joined the Church by Confirmation. He stated the church members are not perfect, just in training for Perfection.

NORMANBY PIONEER PASSES.—The grim reaper on Saturday July 12, claimed Frederick Keller, a pioneer of Normanby for over 50 years, who died in Berlin from heart failure. Deceased was 74 years of age, a man of fine moral character and highly esteemed. He leaves eleven children, three of whom are Louis on the 18th con., Normanby, Mrs. Julius Keller and Mrs. John Blair of Varney. Interments took place the following Monday in the Union cemetery, Ayrton.

The Horse Fair last week was again eminently successful and no fewer than 33 horses at least changed hands. Quite a number of these were of an inferior grade, which however brought satisfactory returns, and there seems to be justification for the remark that horses can now be sold, that some years ago would have been taken to the bush and shot. Some of those who sell of the inferior stuff are buying better, so that a process of improvement is going on that will gradually improve the breed of horses in the neighborhood. Durham Horse Fair is now well established and the best buyers take note of it.

#### A Fatal Accidental Shot

John Staples Dies from Gunshot Wound.

This whole community was shocked on Sunday to learn that John Staples had died that morning from the effect of gunshot wound received the Wednesday previous. Up to Saturday there was hope of his recovery but during the night he got worse and died at 6 a. m.

On Wednesday he had taken down his double-barrelled gun to scare crows from his cherry trees and fired off one barrel, leaving the other loaded and apparently with hammer up. On coming in to the house he caught it by the barrel to hang it up in its place on a nail just above a window. The practice was to hang it up by the trigger guard and in groping for the nail in the shadow he lifted the gun too high and in lowering, the nail caught the trigger, discharging the contents, shot, into his left thigh just above his pocket. His wife was at the barn and heard the shot, noticing that it had a kind of muffled sound, but thought nothing of it till he came to the door and called her. Thinking he must have shot something she hurried to the house to learn the truth, and soon from a neighboring phone had a physician summoned.

The closeness of the discharge, about two feet, set fire to his trousers, but this he extinguished before calling his wife. The doctors found that two nails in his pocket had been driven right into the flesh and these and some of the shot were extracted, the patient being under chloroform. Some coins also were found bent by the fearful impact. Everything was done to assuage the pain, but though others hoped, the patient himself had little or none and so expressed himself.

Deepest sympathy is felt for the widow who within a dozen years has seen two daughters, three sons and now her husband removed by death.

Mr Staples was born in Quebec province, of Scotch-Irish parentage and came to Toronto with his family in early youth. Over 40 years ago he married Miss Eliza Harrison, sister to Edward and Thos. of North Egremont and to them were born a family of nine children, four of whom survive, these being Mrs. Deagan and Mrs. Fenimore, Toronto, Mrs. Ball, Mt. Forest, Mrs. Wilson, Invermay, Sask. The deceased members of the family were Emma, Kate, Joseph, William and Matt.

Three brothers of deceased are well known, James of Markdale, George on the homestead, Wm. D. dentist of Hanover; another brother Ben is in the States somewhere. Mrs. Jas. Whi more and Mrs. Cowrie, Allandale are sisters.

Interment took place on Tuesday to Trinity Church cemetery amid a great concourse of mourners.

The pall-bearers were Messrs T. C. Morton, Wm. Ritchie, Hugh McLean, Wm. McEdden, Robt. Torry, Thos. McEdden, three representing the Sons of Scotland Camp, of which deceased was a member and three the Orange Society, of which he was also a member.

The mortuary services at house and grave were conducted by Rev. Mr. Hartley, who made an impressive discourse from the words "Remember now thy Creator in the days of thy youth" coupled with "and the dust shall return unto God who gave it." Following the English Church burial service, the Orange service was conducted by Mr Robt. Brigham, the brethren encircling the grave in the usual way. About a dozen members of Ben Nevis Camp paid the last tribute.

The three daughters in Ontario were present at the funeral, also deceased's sister, Mrs. Cowie of Allandale, and her daughter Mrs. Johnston, of Barris.

TRINITY GARDEN PARTY.—The weather and garden parties seem to be on the best of terms this year. The finest conditions prevailed on Tuesday evening for that held by Trinity church on the Rectory grounds. The ground was lit up as usual and the band furnished music at intervals, which in the absence of any other program, was much enjoyed. The attendance was large and the tables seemed all too few to accommodate the many who were socially inclined. The gross proceeds amounted to nearly \$110, over \$30 of the sum being taken at the gate. Rev. Dr. Farquharson attended for a while and met many friends and the same remark may be applied to Rev. Thos. Farr, of Blyth.

#### Priceville Civic Holiday

This enterprising village has an ambitious program on hand for their second observance of Civic holiday, on Monday, August 4th. Those who enjoyed their first one in 1912 will readily believe that 1913 will be a further success.

There won't be a dull minute all day if the weather is good. There is to be water sports in the forenoon and a Calithumpian parade.

The event of the day will be a Foot ball match between the stalwarts of Walkerton and the Toronto Parkviews, the latter team two years ago having won the Provincial championship.

Then there is to be a baseball match between teams from Walkerton and Flesherton, a tug of war between the strong men of Glenelg and Proton and a band will be in attendance. Besides this a program of sports such as racing, jumping and Caledonian events will be called off.

A splendid concert has been arranged for the evening. J. H. Cameron, Toronto, has a provincial reputation as a comedian, Miss Tait, Toronto, is a Soprano singer of renown, and the Proton orchestra is a local organization of talent. On the whole Priceville will be a bad place to stay away from on 4th of August.

Admission to grounds and sports, 25c. To Concert, adults 35c, children 25c.

#### Swinton Park Anniversary Services.

Sunday and Monday last the above section had their anniversary services when on both days large numbers turned out to do them honor. They had for the occasion Rev. Thos. Wilson of Walkerton, who gave every satisfaction, from his pointed discourses Sunday and his address with lime light views on Monday evening. The choir on Sunday under the leadership of Mr Wm. Ramage, contributed materially to the two services, from which \$27 was the plate collection.

On Monday evening the garden party on Mr Robt. Knox's ample lawn adjoining the church, brought a large contingent from every direction, but the ladies of Swinton Park were equal to the work of catering for them, providing an abundance of good and substantial baked. After supper all adjourned to the football field where Corbett and the Maple Leafs (Ventry and Swinton) tried conclusions, the former winning to the tune of 1-0. As it was now about dark all proceeded to the church, which was more than packed, to hear and see Rev. Mr Wilson's address and views bearing on David Livingston, the African explorer. It was followed attentively by the audience as his distinct voice carried to all parts of the church. The choir again gave able assistance and the Haw Bros' orchestra was a pleasant feature of the evening. Mr Geo. Letham, Dromore, closed the meeting for Rev. Mr Matheson who had left early on account of him and his family leaving next morning for their Muskoka home. The proceeds of Monday evening came to \$100 or over.

#### Presbyterian Garden Party.

Ideal weather and warmth prevailed last Thursday evening for the Garden Party on the Presbyterian Manse grounds, and a crowd of over 400 swarmed through and among the trees on the pretty grounds incidentally sitting around the tables where an army of waiters supplied light refreshments as ordered. As usual the grounds were electrically lit, and there was a very fine moon; the band was in attendance and furnished fine music, there was a good program and the one thing lacking was the presence of the pastor, whose enforced absence was greatly regretted.

Dr. Jamieson, M. P. P. made a splendid chairman, even though he had to cut out politics facetiously remarking it was a pity too, at such a good place to work on. The program in the main consisted of an instrumental duet by Mrs. R. MacFarlane and Miss Lyla Kelly, a laughable trio "A Little Farm well titled" by Messrs Jas. Coleridge, Allan Bell and P. Ramage. Messrs J. P. Telford and Jas. Coleridge gave "The Pilot Brave," Solo much appreciated were given by Mr. Grant MacComb and Mr. Giles the latter a new star in the musical firmament, lately from England. Mrs. Bert Stonehouse and Miss Del Lauder gave a duet. Miss Alice Ramage acted as accompanist except to Mr. McComb, Miss Lea McComb assisting him.

The proceeds amounted to about \$110 from which some expense has to be deducted.

#### A Bumper Wheat Crop.

Thousands of Men required. This Year's Harvest promises to be the largest in the History of Canada.

According to present indications the wheat crop of 1913 will be the greatest ever harvested in Manitoba, Saskatchewan or Alberta, thus requiring the farm laborers of the East to assist in harvesting the world's greatest bread basket.

The Government of the respective Provinces state that many thousands men will be required for this year's harvest. These will have to be principally recruited from Ontario, and the prosperity of Canada depends on securing labor promptly. The Canadian Pacific, on which Company will fall practically the entire task of transporting the men to the West, is already making special arrangements for this year. Excursions from points in Ontario, to Manitoba, Saskatchewan and Alberta will be run and special trains operated, making the trip in about thirty-six hours and avoiding any change of cars or transfers. This will be a day shorter than any other route. Dates, rates and conditions will be announced in a few days.

#### For Sale
