LOCAL AND PERSONAL

Toronto's Civic holiday brought a large number of visitors to friends in the village. The Rev. Mr McLean, of Ripley, preached in the Presbyterian church last Sunday. His discourse here has been very favorably commented on. The Misses Irene and Pearl Drumm are visiting friends in Berlin. About forty of the young people of our village had a social gathering in the park Tuesday evening. Tea was served at 7 o'clock, after which a very enjoyable time was spent. We think it about time the married people of our village had a gathering of this nature, with the advantage of a park right in our midst. Everyone should avail themselves of the opportunity afforded for a social hour and feel all the better for having dropped the cares of every day life for this brief spell. Mr Nicholson's mill is again in operation and it appears to add new life, as once more we hear the familiar sound and see the grists again being deposited at the door. Mr Bert Edwards is the possessor of a new car and is to be seen quite often on the streets. He is engaged in the sale of Western Real Estate. Anyone looking for investment when large or small sums can be well placed, can quickly be reached by Mr Edwards, who will gladly give all necessary information. The sympathy of the community is extended to Mr and Mrs Wm. Atkinson in the death of their little child, who died Monday morning after a few hours illness. The baby was taken to Durham for interment on Tuesday. Mr John Swanson is busily engaged repairing and building the dam at Dodd's mill, he having purchased the mill property and intends putting it in first-class condition. The hum of the steam thresher was heard in our midst Tuesday for the first time this season.

Card of Thanks

I, the undersigned, take this means of thanking the citizens of Holstein and surrounding country for their generous and utmost effort in extinguishing the fire in my mill on July 24th.
