It is an advantage sometimes to keep a bank account in the names of two persons, so that either one may make withdrawals. Such an account is called a "joint account." We shall be pleased to furnish particulars.

The scholars are delighted with our school needs—supply them at the Central Drug Store.

We regret that a number of typographical errors occurred in Clerk J. S. Black's letter in last issue owing to correction of the proof sheet being overlooked in the rush of going to press.

I have decided to open up a Plumbing and Tinsmithing business in Durham. I will be at the Middaugh House during the next two weeks, where I am installing a steam heating plant and will be pleased to quote prices on the above lines.

TOWN TOPICS

Buy your school supplies at MacFarlane's Drug Store.

Abraham buys poultry every Tuesday and Thursday morning.

The largest stock of School Supplies in town at lowest prices.

Central Drug Store

Low water in the Rocky Saugeen is said to be the cause of the town lights going out on Sunday night.

FOUND—On Garafraza Street, Upper Town, a Ladies' Parasol.

Apply to C. L. GRANT.

Three rinks of the Durham Bowling Club are entered for the bowling tournament at Walkerton on Labor Day.

On Sunday evening next Rev. Mr. Boone of Saginaw will preach in the Baptist church, his subject being "What we all need now."

BROKE HER ARM.—While sliding down the banister of the stairs one day last week, little Myrtle Koch fell off, resulting in the fracture of an arm bone.

We are ready for School Opening—everything bright and new.

Central Drug Store

WANTED.—Low local man in town of Durham to open 5, 10 and 15¢ store. For our proposition apply

Box 67, London Advertiser.

We want your live poultry. Highest cash price paid. Bring them in the morning, every Tuesday and Thursday. The J. D. Abraham Co.

The Sunday School of the Presbyterian church hold their annual picnic to Saugeen Park on Friday of this week. The choir of the same church will picnic at Glenora on Labor Day.

Canadian laws are being mocked by Thaw money. He is still in Canada owing to so-called "legal tangles," which had the escaped lunatic or murderer been a poor man, would have caused not a day's delay. Some body at Ottawa lacks back bone.

NEW TEACHERS.—The High School Board have engaged Misses Bessie Arkell and Pearl McGregor for the vacancies on the staff. Both have their B. A. degree and come well recommended. Miss Arkell was in town last week preliminary to the opening of the term on Tuesday next.

The Public School Board have engaged Miss Zola Black, daughter of Dr. Black of Paisley as teacher in the Primary department of the school.

REAL ESTATE DEALS.—The estate of the late Mrs. John Brown, of which the land valuation is said to reach nearly \$6000, is being sold. Already three parcel lots have been disposed of and sales of the other parts are pending.

Mr. Arthur McDonald has purchased the property immediately west of Mrs. Meredith's residence. Miss A. Weir, nurse, has bought house and lot which was formerly occupied by Mrs. Brown herself while Mr. Thos. Danley is the new owner of another portion commonly known as the Clark property.

PERHAPS HON. JAS. DUFF.—There is a possibility that Hon. Jas. S. Duff, Minister of Agriculture, will be amongst the notables who will attend South Grey Fair this year. The directors are endeavoring to secure the minister for the occasion and are awaiting a reply to a communication recently sent to him. A few months ago in an interview with Secretary Geo. Binnie, Mr. Duff expressed his pleasure to be a visitor to the fair this year.

NO HORTICULTURAL SHOW.—Lack of interest both on the part of citizens and directors seems responsible for the cancelling of this fall. At a meeting of the Horticultural society in the library on Saturday night, the attendance was small and did not warrant the advisability of holding an exhibition. Mr. Chris. Firth, the secretary, also states that he finds there is an undercurrent of opposition and all sorts of excuses are offered to assist in responsibility or to avoid assisting in generally the work of the society. It is regretted that this society, willing to do so much for the advancement of the town should not meet with more encouragement. Instead of help being given, it seems that barriers are being placed in their path.

REMAINS IDENTIFIED.—The remains of the body found August 4th in Markdale suburbs have been by the clothing and contents of the pockets, identified as that of an inmate of the County House of Refuge, who was slightly feeble minded, and was liberated in June of last year. His name was John Orr. Interest is added to the case from a local standpoint when it is learned that the deceased man has a brother living in Durham.

William Orr, an employe of the Furniture Co., and who resides on Lambton Street, is speaking to the town street review on the subject. Mr. Orr stated that to date he had as yet received the definite word to the effect that the man was his brother. He was dead man however that a brother who lives in Owen Sound had been in Markdale examining the remains and had secured evidence to the effect that the remains were those of his brother and man was his brother. He expects further word one day. Mr. Orr also said that he had not seen or heard from him to be an inmate two years but knew him to be an inmate of the House of Refuge on August 4th of that time.

Sell your poultry alive. Abraham buys for cash every Tuesday and Thursday morning.

LOST.—An automobile spark plug pump and kit of tools, between Durham and John Collier's Gleisig via Lambton St., or Durham Road into town. Finder will be rewarded by leaving same with the proprietors.

COX AND RABB

The Durham Branch Women's Institute will meet at the home of Mrs. J. W. Blyth, Varney, on Thursday, Sept. 4th, at 2 p. m. Mrs. N. Eden will speak on "Good Form in Public Places," and Mrs. G. Lawrence and Mrs. W. Ritchie on "Poultry Raising." Roll call will be answered by each member giving some idea on poultry.

FOUND PEAT DEPOSIT.—This last week a Government engineer has been camped in the swampy areas near St. Catharines on the 3rd con. Gleisig, with a view of discovering peat for fuel purposes. A deposit of good quality has been found, we learn but the acreage stated and scarcely used. The engineer left for near Warton on a similar mission.

SHOULDER TORN.—While working at the spindle carver at the furniture factory on Tuesday, Geo. Dams was spinning up shirt sleeves, and backed up against the machine, getting his arm and shoulder lacerated. Quite a number of stitches were required, but we are informed the wound is not serious, though he will be laid off work for some time.

AUGUST HORSE FAIR.—Harvest operations no doubt interfered to a certain extent with the monthly horse fair held on Thursday last. Nevertheless there was a large number out and many horses were sold on the streets. When the sales of the day were totaled 27 animals had been purchased by the buyers and many were not in the best condition. Mr. Campbell, a well known and successful buyer which was considered one of the best on sale and which brought a fine figure. Prospects for the September fair are bright.

MAY DIE FROM DYNAMITE.—Mrs. D. McArthur, Mrs. John Miller and other members of the well known Stewart family in Bentinck have undergone painful anxiety for a week past, owing to a serious accident to Mrs. Neil McKinnon of Nanaimo, B. C., whose wife is Stewart. A violent strike in progress among the miners there and lawless deeds are all too common. A stick of dynamite was thrown into McKinnon's house, he grasped it to throw it out, but it exploded and he was killed. It is still living. Mr. McKinnon is a native of Bruce Co., in or near Port Elgin.

GEORGE IN THE LIMB.—Presence of mind which would reflect favor on a Roman warrior enabled Geo. Kress, driver of Beggs' delivery wagon to escape a serious accident while on duty Thursday. George was delivering parcels in the lower part of the town and while driving in a narrow lane the horse took fright in some unknown way and became unmanageable. He retained his hold of the lines while the horse was doing some violent kicking, resulting in the breaking of the dashboard and shafts, and finally freeing itself from the vehicle. George was dragged some distance and the animal dashed into a nearby field where it was later recaptured.

WON THE DISTRICT.—In the sudden death game to decide the district championship in Mt. Forest last Wednesday, Durham Juveniles put it over on the town of the 107 in the Hanover to the tune of 107 in the Hanover took the first goal, but the Durhams soon assumed the lead, which they held throughout. Half time score was 5 to 3 in the blue and white's favor and the closest Hanover came was in the 3rd period when at one time they were only a goal behind, 6-5. Some delay was announced at commencing the game after the Durhams had to be erected and nets fastened. F. C. Waghorne of Toronto, one of the old-time referees, handled the game most satisfactorily. He complied the work of Moorby, the local goal keeper, he being one of the best he had seen. A \$35 crowd produced a \$14 gate, all the poor sport taking advantage of the numerous openings in the fence. As a result neither team received any thing for expenses, and the Durhams with only one home goal this season, but personally pay about 40 spectators accompanied the team. Hanover has since protested the game, the third protest of this season in this district, alleging three Durham players were ineligible.

Off for the West.

32 tickets were sold from Durham to those departing for the West on Monday morning. The majority of those who boarded the train were young farmers whose intention it is to return at the close of the harvest.

The party were a good natured crowd who left with a joke on their lips and a cheer after they were on the train.

In the neighborhood of 200 were on when the train reached Durham, a great many getting on at Walkerton. Many of the spectators were already attired for active work.

Agent McFarlane of the G. F. R. has kindly furnished a partial list of those leaving: Albert Kellar, A. Smith, Mike McMillan, Archie Black, George Arnett, Wm. Falkingham, Wm. Ritchie, Wm. Campbell, Edgar Henry, Arthur Lee, Wm. McNeil, Victor Wilk, Mr. John Wells, Wm. Derby, John Weir, Jas. Park, W. J. Davis, J. Ray Tbos. Collier, John Lawrence, Wm. Lake, Jos. Porter, Spence Hopkins, H. Park, Joe McGee, George Hopkins, Mrs. A. J. Davis, Alex. McDonald, Miss Hazel Dennet, Mr. Nally, Wm. Henderson, Jim McGill, Jack McKennie.

Mr. and Mrs. Frank Caton and daughter Miss Jessy who were also amongst the excursionists, will take up residence in Manitoba.

Mrs. Bartlett and two children will leave on the excursion on August 5th.

Delinquent Subscribers.

We are enclosing a circular in this issue to our subscribers asking attention to their subscription. The intention is to reach delinquent subscribers chiefly, those who from one cause or another have allowed their paper to get in arrears and thus of course increasing the financial strain on the publishers.

We have said little or nothing about this for a long time, but necessities of business compel us to give attention to the collecting end of this establishment and we bring the pink circular enclosed will be duly honored by those in arrears who receive it.

The Review is only \$1 a year in advance. Same price as thirty years ago. We will accept this rate in the meantime but \$1.50 may be charged on those who have taken the privilege of deferred payment.

We hope for a hearty response.

School Reopening.

Prompt Pupils Prized.

Durham High School re-opens on Tuesday next, 2nd of Sept., and it is expected that all intending students should be present on the opening day so that proper classification may be made.

Mr. Allan writes advising that pupils have not yet been notified until they know which are authorized.

The same remarks as to promptness applies to the Public School. Let there be a strong rally to the openings on Tuesday.

KILLED ON TRACK.—Owing to imperfect fences on Railway property, a horse belonging to Mr. H. Riddell, was killed on the Railway track crossing the farm on Mr. W. Riddell's land Monday. Mr. Riddell left it with his friend till his return as a delegate from High Court of Foresters and Mr. Scarf naturally feels much pained at the trouble caused to Mr. Riddell while the horse was under his care. The C. C. P. R. will doubtless admit liability as it is alleged the fence was defective.

Stamping Exhibition.

(By Our Man on the spot.)

When speed is required in clearing land the effectiveness of man's brain and sinew stands offered at a heavy rate of discount when brought into competition against agents such as dynamite or blasting powder. This fact was supply demonstrated at the stamping exhibition on Monday held on the farms of Campbell Dunsmore and Charles Lawrence in the presence of a few minutes seven stumps from the earth and splintered giant boulders to fragments. In fact the exhibition had an educational interest toward progressive farming and was enjoyed by an audience of upwards of 150 farmers.

The method of removing the stumps and stones was simple and required but a few minutes work. A hole was drilled in the earth beneath the stone or stump as the case may be, and in this small tunnel a series of cartridges containing the powder were inserted. A fuse is connected to one of the cartridges and after a few seconds following the ignition a dull rumble is heard, a cloud of smoke appears and the earth is checked and shattered by flying debris.

The stumps have been felled from their holdings in the ground and in the case of a stone, the result was similar. As the result of the demonstration, seven stumps on the Lawrence property yielded their grip to the force of the powder.

Dunsmore's farm and four large stones on the Lawrence property yielded their grip to the force of the powder.

Everybody was satisfied with the exhibition and the result of the work done in the blasting powder. Certain farmers in the locality have previously tried similar work with dynamite but have found it to be much more expensive and dangerous to handle. Mayor Black was at the head of the demonstration and was the general host on the grounds. N. C. Hebers of Montreal was the demonstrator in charge. Dr. Jamieson E. P. P. was an interested spectator for part of the time.

PERSONAL MENTION

Among the visitors to the exhibition this week are Mr. and Mrs. Jos. Brown Mr. and Mrs. Jas. Coleridge, Dr. and Mrs. Arthur Gun and children, Mr. John Wright and Mr. Will Nichol.

Miss May Hendrich returned to Toronto on Wednesday after visiting her cousins, the Misses McMillans and other friends.

Miss Alice Lawrence returned to Toronto on the Tuesday following a visit at the home of W. J. Lawrence and other relatives.

Dr. Edward Lauder and family of Cleveland are visiting relatives in town, having motored from Cleveland through St. Thomas, Woodstock, Goderich & Owen Sound and thence to Durham. They return to-day.

Miss Jean Fallaise came home from Toronto Saturday to spend some time with her parents.

Mrs. W. F. Buchanan and Miss Ludell Lauder have returned from visiting in Bayfield.

Mr. R. McFarlane is in Toronto this week attending pharmacist convention.

Mr. and Mrs. Arch. S. Hunter left via G. T. R. for an extended trip through the American and Canadian West on Wednesday. In addition to visiting many of the important cities en route they will spend some time with their son Dr. Archibald Hunter in Vancouver. We wish them a very pleasant trip.

Bentinck Pioneer Dead

On Monday last, 26th August, 1913, there died in Owen Sound at the home of his daughter, Arch. McLean, a pioneer of Bentinck, and the only surviving brother of Mrs. Alex. McCormick of this town. He was only a few weeks sick and was in his 77th year.

Mr. McLean was a native of Mull and came to Canada with his family in early youth thus becoming one of the pioneers of Bentinck. About 20 years ago he left the township and for a time had a commission on the lakes, but latterly has been in charge of a lighthouse near the town.

His wife preceded him many years, their family surviving consisting of one daughter, Mary, Mrs. Captain McNab, Owen Sound, and two sons, Alexander in Muskoka and Donald in the West.

His sister and niece of this town were with him when he died. He is being buried to-day, Wednesday in the family plot at Rocky Saugeen.
