nearer than the rest. From that bet my wife will be waiting at the

GUIDE TO RESCUERS.

Would Save Lives.

Lake and river take a heavy toll "During my engagement as a in human lives each summer, but hunter for the company-a period the toll could be greatly reduced. face was pale, of that ivory whiteness with black hair.

She was beautifully formed, and very graceful, with hands and feet like a fairy. In short, she was a beautiful little woman, with the face and the charm of a siren, and with about as much heart.

She turned the corners of her of it read that Builaio face was pale, of that ivory whiteness glowered at Laura as if he resented her soldership any one but himself.

Bill's Wild West Show had been forced to close up shop, and that killed 4,280 buffaloes and had many forced to close up shop, and that the sheriff was in possession? But it is a relief to know that Colonel who knows exactly how to set the meal the most delightful he had ever siren, and with about as much heart.

She turned the corners of her deal that Builaio for the company a property of less than eighteen months—I killed 4,280 buffaloes and had many the sheriff was in possession? But it is a relief to know that Colonel William F. Cody, "Buffalo Bill" one who knows exactly how to set ly drowned. Scores and scores of those who are 'drowned' die not in the water, but on the land! Here are the directions. Study them, cut them out, and slip them into your watch-case. Yours may be the chance to save a life, and it's a good thing to remember having done.

Be quick! Seconds are valuable, If the mouth and nostrils are
