### Yeovil

Miss Eva Renton returned to her school near Shelburne on Monday. School reopened this Tuesday with Miss M Morrison of Arthur in charge. Born--To Mr and Mrs A R Henderson on Tuesday, Sept. 2, a son.

Mr Joseph Switzer left Tuesday of this week for the West.

A large number from here are attending the National Exhibition. Among others we mention Mrs Wm Nelson, Mrs W J Philip, Mr and Mrs Alex Calder and John A Wilson.

Miss Bella and Calder McArthur spent Sabbath with Arthur friends.

We were much pleased to have Rev Jas Malcolm occupy the pulpit at Fairbairn church on Sabbath last. Mr Malcolm's sermons are brimful of gospel truths.

Mr. Wm. Morrison of Vancouver, B. C. is visiting his aunt, Mrs. Jno. Calder and other relatives here.

Sorry to say Mr. and Mrs. Alex. Henderson and some of their young children are said to be ill of typhoid fever. A baby boy was born to them this week in the midst of their sickness. We all extend sympathy. Miss Christina Pettes, trained nurse, is in attendance at the home of her sister, Mrs Henderson.

Miss Emily Wilson, teacher of Bothville, began her duties Tuesday in SS No. 10 here. She succeeds her friend and namesake, nee Miss E. Wilson, now Mrs John Fairbairn, who so successfully called attention here to nearly seven years. May God extend his loving arm to Miss Emily as he did to Miss Eliza and she will not regret her sojourn in this part of Egremont.

Sheep worrying by dogs has become so prevalent here lately that we think the Reeve would be justified in laying an information before a J. P. and have an investigation held with the object of discovering the dogs who are guilty of such deadly work. Certain dogs, (not local ones) have been seen prowling in the neighborhood lately at prohibited hours. A careful small enquiry would lead to the ownership and the Township of Egremont would be saved a great outlay of cash. John A. Wilson and John A. Swanson have each lost very heavily lately. Let the matter be investigated and the lawless brutes be destroyed.

Man comes into this world without his consent and leaves it against his will. During his stay on earth, his time is spent in one continuous round of contraries and misunderstandings by his fellow beings. In his infancy he is an angel; in his boyhood he is a devil; in his manhood he is everything from a lizard up; in his duties, he is a fool; if he raises a family he is a chump; if he raises a family he is a thief and then the law raises blazes with him; if he is a poor man he is called a poor man; if he is rich he is dishonest, but considered smart; if he is in politics he is crooked, and an undesirable citizen; if he goes to church he is a hypocrite; if he stays away from church he is a sinner and damned; if he donates to foreign missions he does it for show; if he doesn't, he is stingy and a tightwad. When he first comes into the world everybody wants to kiss him; before he goes out they all want to kick him.

If he dies young, there was a great future before him; if he lives to a ripe old age he is in the way.

This life is a funny road, but we all like to travel it just the same.

### Greenside

Harvest is almost a thing of the past around here and the hum of the thrasher will soon be heard. Mr Matthew Hooper is started to the west of us-- grain yielding good but the straw short.

Holidays are again over and the pupils will have to get down to hard work. Miss Mable Morrison of Arthur in charge. We all welcome her back again knowing her efforts won't be in vain.

Mr Jas Laughton, Pe Arthur, spent the latter part of the week with his aged mother here who is not improving as we would like, and returned home Monday.

Lothian Bros. have made a much better appearance to their farm by erecting a wire fence along the side road. Mr Robt. Small doing the work in his usual good style.

Mr. Thos Halpeny leaves Tuesday for Toronto where he will take in the Exhibition before leaving for the West on Wednesday. Success Tommy.

Mr. John McBeth has completed the cement walk in front of the school which adds a much better appearance.

### South Bend

Summer has passed with her gorgeous train. Of fair and fragrant flowers, and now September's milder sun illumines the golden hours.

Mr Wilnot Sharp a former respected resident of the Bend now a prominent citizen of Ashland, Wis., visited his brother Mr F Sharp and other friends in the beginning of the week.

Mrs and Miss Reuter of Detroit, Mich. and Mrs J Orchard of Holstein were recent guests at Mr John Durrant's.

Mrs (Rev.) Dixon of Rhode Island, Mrs Wm Collins of Toronto and Mrs O M Seim, Hepworth, former popular young ladies of the Bend recently visited their brothers messrs Orrie and George Hunt and their sister Mrs Wm Tyndall.

Miss Gardiner of St. Thomas Ladies College, spent part of her vacation at her home here.

We regret to hear that Mrs Legge a former respected citizen of the Bend is ill at her home in Mt Forest.

The Anniversary of 100 years of peace between Canada and the States was recently celebrated on both sides of the line and the Union Jack and the Stars and Stripes floated side by side.

Longtas the crystal waters Ex end from shore to shore May peace and goodwill reign supreme And discord nevermore.

Mr Wm Smith of Mt Forest thrashed for some of our residents last week and the grain turned out well.

### LOCAL AND PERSONAL

Mr Chas McClocklin and wife from Glenelg Centre spent Sunday with his brother here.

Miss Nettie Rogers was home from the city during the Labor Holiday excursion.

Mr Chas Hunt and misses Jean and Lydia Ferguson were exhibition visitors the past week.

Mr and Mrs Geo Gilkes of Proton, visited at Mr John Troup's Sunday.

Miss S. McArthur is holidaying in Toronto.

Wm Moore of Nenagh is threshing along the 12th.

Mr Wm Horsburg Sr. went to the West last week on the harvest excursion.

Mr Wm Aitken Sr, Mrs Wm Aitken Jr and Mr Joe Switzer, left this morning on the Home-seekers' excursion to the West.

Mr Peter and Miss Alice Ramage of Durham spent Sunday at Mr. W. H. Rogers'.

The greater part of last week's visitors to the Exhibition have returned and a larger number went this week. We have not heard of any wonderful sights seen but hope those visiting this week may have some information worth recording.

School is again opened and the music of the school bell sounds sweet to the small boy but not so with the strap. The pupils attending Mt. Forest High School might be seen wending their way thither Tuesday morning, many of them were soon back again--we suppose on suspended sentence.

Mr and Mrs E. L. Cann from Winnipeg, visited their brother, J. W. Hunter of this place. It being 25 years since their former trip east, many changes have taken place and been noted. Perhaps the greatest was the thinly populated rural districts. Mr Cann is quite optimistic regarding the future of Winnipeg, he having been a resident there for 32 years. Should his predictions prove true it will not only be the largest but the most beautiful city of any now in the land.

Master Martin Bye had a narrow escape from more serious injury Saturday morning. He, with others were playing near the exhaust pipe from the safety valve in Mr Nicholson's mill when one of his companions asked him to look in the pipe, which he did when the first boy suddenly raised the valve, allowing the hot steam to rush through the pipe, severely scalding Martin's face and neck.

Under the Dr's care he is progressing as well as could be expected.

A youth residing a short distance north of the village had rather an exciting time Saturday night. Just how the row started we were not informed but the party being set upon, took refuge in one of the stores. Several times he attempted to make his escape, but was driven back. As a last resort the merchant was asked to interfere and on his going out to discover who the rowdies were, they took to flight and did not stop until John Brown's hill was reached. It was then thought safe for the young man to get home which he did in safety. It will not be healthy for

the same parties to try the game again around our village or they will appear before the magistrate to answer for their conduct.

### Orchard

Thrashing is in full swing again turning out good for the dry summer. The church members had a meeting last Wednesday night to decide about the harvest home. It is to be on the 21st and 22nd of September, and they decided to have a bowl supper on the Monday evening.

Mrs Past has a reunion of her family this week of five daughters and one son and their husbands and children.

Mr and Mrs Will Greenwood Jr, of Zion visited over Saturday at Mr. Pinder's, also visiting Mr Falkingham's.

Mr. and Mrs. Chas. McClocklin of Zion, visited Saturday at Mr. Falkingham's.

Miss Pearl Falkingham is home after staying with Mrs Will Orchard for a short time.

We were glad to see Mr. W. Dickson in the Sunday School again.

Miss Emma Collins has returned to her home in Palmerston after spending her holidays with her cousins, the Misses Brown.
