A RECORD DAY.

Continued from page 1 Attendance at the first night concert was scanty but the second night there ed in the near future, and in that case I was a bumper house. Bennet, the will not forget what has been said of come lian suited the crowd well and Owen Sound, and I am quite sure that his grimaces, his jokes, his costuming a Normal school here will become an kept the audience in laughter. Miss accomplished fact, " said Hon. R. A. Foster was no stranger here nor was Pyne, minister of Education, in the Miss Watson and they bore their course of his address in the Collegiate respective parts most creditably, the Institute Friday evening to four hundred latter in her selections having a fine veinof humour that was refreshing. Lumsden News Record. Encores to all three were given.

As to industrial education, Dr. Pyne The accompanist, Miss R ta Irwin Institute will hold their next meeting said that now that the agricultural phase was the hardest worked young lady of at the home of Mrs. Wm. Brown on had been taken up earnestly, and results the evening. To accompany Bennet | Sept. 8th. Papers will be given an, were being produced, it would be but a is no joke, but Rita was equal to it. I. Economy-Its true meaning by short time before industrial education Very rarely we imagine does a small Mrs Jas Wilson, 2. Fall work in would take its place in the curriculum. town possess a musical artist as pro and about the house, by Mrs Wm The Government had moved but slowly ficient and sweetly obliging as Miss Brown.

We must leave the Prize list to tell the story of the wluners in the stock classes. In some cases competition was keen making a first prize valuable. We must voice a note of wonder however for the monster hogs on exhibition, that big Tamworth must have weighed a third of a ton anyway. This was an off year for the poultry men the exhibits being fewer, but

Hon. James Duff

experts say quality good.

Standing in a waggon box filled with matter of inches. The race card also new mown hay, which is undoubtedly contained a Farmer'r Trot, but this in accordance with his ministerial vonumber was easily disposed of in 8 cation, Hon. Holstein Show

A Great Success in Glorious Weather.

The patrons of this fine township show are delighted this year again to And seems hastening to close the have the best of weather, the best of exhibits and the hist of feeling per 1 vading all sections of its supporters from President Groat to the humblest

50 entries in butter is a sample of the interest taken by the women of In the bright realms of the blessed. the township and in the department very ill. Mrs Huffman too has been the quality in this and we may say in very ill and went to Guelph tor treat- every department being fully up to the best of past years, though in some

The programs for the South Grey Teacher's convention in Hanover on Oct. 16 and 17, are being issued this week and a momentary glance will toretell that an intellectual treat is in store for the teachers. Another look will soon show that a very small per centage of the program is coming from the teachers themselves while the outside array of talent looms large. For the two day session, the names of but five teachers giving papers, ap-

Co-incident with this fact, Principal T. Allan, secretary of the association, . states that 30 teachers were asked to give papers at the gathering and only an even dozen had the courtesy to respond to the invitation and from these there are more than 100 teachers in S Mr and Mrs Hoeflin attended the Grey, it does seem as if a co-operating spirit was lacking among them.

Mrs. Elizabeth Nichol
