Stomach Always Balked. Had Constant Indigestion

Smell of Cooking Made Him Sick-Bilious Two Days a Week.

Cured by Dr. Hamilton's Pills.

Mr. Clemmons' experience is not unusual. Nowadays poor stomachs are more the rule than the exception. But the proper treatment is sure to make a quick cure. You can always depend on Dr. Hamilton's Pills, they reach the trouble at once, go right to business, work while you sleep and have you feeling better if not cured next morning. "My food seemed to decompose in

my stomach," writes Mr. Ralph Clemmons, of Newbridge P.O. "I had a stomach that failed in some way to perform its work. Digestion seemed more or less arrested and I grew thin, yellow, nervous. The stomach became distended and impeded apparently the action of the heart, for often at night it would do great stunts. At times I would vomit a mucous mass, and at these times my head ached most terribly. A friend who had been cured of a similar condition, advised me to take Dr. Hamilton's Pills regularly, which I did. The result in my case was simply marvelous. Dr. Hamilton's Pills removed the cause, strengthened the stomach, excited the liver to normal action, the kidneys were released of excessive work. Health soon grew within me. I can now eat, sleep and

## COMMENT ON EVENTS

It is affirmed that everything points a world-wide shortage of beef cattle, and, unless something is done to remedy conditions, the shortage will become acute and the price of meat will mount still higher. At the recent convention of the American Meat Packers, it was decided to expend \$500,000 during the next five years in educating the farmers throughout the United States in regard to the raising of cattle. It was pointed out that if every small farmer would raise at least two beef steers a year the fear of a shortage would soon be a thing of the past.

against the "unnecessary slaughtering of while if these calves were allowed to reach ried equals in Canada, which is males to 40 and from 46 females to the age of three or four years, the supply of beef would be increased 9,000,000,000 three less than the number of idiot 38.

Canada should profit by these recommendations. Farmers should raise more cattle and go in for mixed farming instead of confining their sole efforts to the growing of grain. As far as Ontario and Strong Committee Formed in Lon-Eastern Canada is concerned, it would Winnipeg, Nov. 4.—Cash prices:—Wheat

For Weak Backs and Headaches. Miss Ethel Balcombe, of Port Dufferin, N.S., writes: "I was troubled no longer considered of value except My back was weak. I had terrible New Failures Announced With the student of the history of diets. The headaches and was so restless that I the feeble-minded, Saskatchewan health are best when he eats with mo- friend told me about GIN PILLS. I

## Many Reasons Why Liquid Cough Mixtures Can't Cure Bronchitis

zone, Which are Breathed to the Furthest Recesses of the Bronchial Tubes, Bring Quick Relief and Sure

Every sufferer from coughs, colds,

through the throat, down the brondeepast air cells in the lungs. All parts are soothed with rich, pure, medicinal essences whereas with a syrup the affected parts could not be reached, and harm would result through be-

numbing the stomach with drugs. "I have been a chronic sufferer from catarrh in the nose and throat for over eight years. I think I have spent four hundred dollars trying to get relief. I have spent but six dollars on Catarrhsome time. Catarrhozone is the only medicine I have been able to find that would not only give temporary relief but will always cure permanently.

For absolute, permanent cure, use Catarrhozone. Two months' outfit and Kingston, Canada,

NEW TENDERS TO BE CALLED.

Intercolonial Terminals Will Cost

Fifteen Million Dollars. A despatch from Ottawa says: New tenders will probably have to be called for the new Intercolonial terminals at Halifax. Tenders were received by the Railway Departstated that none of the tenders meet all the requirements, and it is understood Hon. Mr. Cochrane now contemplates throwing them all out and advertising for new tenders. The whole work will cost upwards of fifteen million dollars.

FINANCIAL PANIC IN INDIA.

Heavy Liabilities.

A despatch from Calcutta says; ures were announced with heavy liabilities. Several banks suffered

Fox Farms in Alberta.

Black fox farms are now being started in Alberta. There is one near Edmonton THE CANADIAN NORTHERN

of black foxes, and are contemplating a Big Line to Be Finished Early Next Year and Trains Running Through Mount Royal by August
