Por some time we have been conducting a tailoring business in Durham which of late with our special efforts is fast coming to the front.

For up-to-date tailored garments which are made to your own special measure, remember you have the cloth in the web to choose from, not merely a sample of which the order is sent out of town to be made up. This is a point worthy of consideration by all men who care to be well dressed at reasonable prices.

Our clothes are hand tailored and made from Imported goods, built up with strong interlinings, assuring you a long lifed shap ed retaining garment, producing the desired effect. - Quality, Style, Fit. With all the price is astoundingly low.

All-Metal Weather Strip

The specially designed and up-to-date method now generally adopted for effectually preventing entry of all draught, snow, sleet, rain or dust of any kind, thereby insuring an even temperature throughout the building .

Why Not Now

Why deny yourself the maxim of comfort at the minimum of expense. All metal-weather strip costs less, is far more effective than storm sash and is a permanent institution, requiring no removal. Most public buildings in large cities are equipped with it. Architects specify it, the Government demands it.
