CHICAGO STOCK SHOW. Judging Competition Team From

A despatch from Guelph says: The stock-judging team to represent the Ontario Agricultural College in the stock-judging competition at the International Stock Show in Chicago the beginning of next month has been announced. They are: J. M. Brown, Peter Forsyth, A. McLaren, J. Stark, and E. Woltz; reserves: R. Ramsay and Clarke Duff.

The French Chamber of Deputies will begin the discussion of the bill, already passed by the Senate, to limit the number of bars, saloons, and other establishments for the sale of distilled spirits. The measure fixes the number of bars at 1 per 200 inhabitants, and until this figure is reached no new bars may be opened. The effect will be to gradually reduce 1,480,000 bars to 200,000.
