REPORTS FROM THE LEADING TRADE The Hospital for Sick Children COLLEGE ST., TORONTO

Dear Mr. Editor:-Thanks for your kindness in allow. ing me the privilege of appealing at this Christmas time on behalf of the Hospital for Sick Children, Toronto It would take more space than you can spare to tell of the good work done for the sick and deformed children of this Province. Let me, however, in a

few dollars, a few friends-this was the beginning. The beds have grown to 250, the dollars to thousands, the friends to hundreds. 1875, the first year, 44 in-patients, 67 out-patients. 1913, last year, 1,648 in-patients, 25,507 out-patients; 1875, 1 nurse; 1913, 70

Since 1875, thirty-eight years ago, the Hospital has admitted within its walls 21,018 children as in-patients. in bags, Toronto freight. Shorts, \$22 to and 159,231 as out-patients, a total of \$22.50, Toronto. year. Of the 21,018 in-patients, 15,200 were from Toronto, and 5,818 from other parts of the Province; 10,150 of the total in-patients were cured, and 6.367 were improved.

In the Orthopedic Department last year, of the 1,648 in-patients, 278 were treated for deformities, 25 hip disease. 37 Pott's disease, 2 knock-knees, 19 bow-legs, 62 club feet, 8 lateral curvature of the spine, 44 infantile paralysis. 6 wry neck, and 75 tubercular disease combs, 85 to \$3.25 per dozen of knee, hip and ankle. In 1913, the Surgical Apparatus Shop manufactured 427 appliances for in-patients and outpatients, including ankle braces, spinal In this Department in 38 years near-

ly 800 boys and girls have been treated for Club Feet and 650 corrected fair claim for help from the people of this Province. Will you, the reader of this letter,

help to give crippled children a fair Busy dollars are better than idle

tears. The sympathy that helps is good, but the Hospital has to have the sympathy that works. While Christmas Bells are ringing to the glory of Him "Who made the lame to walk and the blind to see."

give, give, give, and help the Hospital to help God's little ones, upon whom the heavy hand of affliction has Will you please send a dollar, or more, if you can spare it, to Douglas Davidson, the Secretary-Treasurer of

the Hospital, or J. ROSS ROBERTSON Chairman of the Trustees, Toronto

Asphyxiating Bullets. Monsieur Kling, director of he

Paris municipal laboratory, has invented a pistol that fires a cartridge or small bomb charged with certain strikes an object, the chemicals immediately vaporize into suffocating The pistol is used by policemen and detectives in the capture of desperate criminals. The physician-inchief at one of the largest hospitals in Paris believes that the new pising lunaties, alcoholies, and other dangerous persons; and indeed, the pistol has already been tried in the are entirely harmless, but extremely painful, for they blind the victim, Montreal, Dec. 2. Best cattle were held nearly suffocate him, and make him think that he is about to strangle.
