Police Capture the Slayer of Banker Arnold.

A despatch from Winnipeg says:

John Krafchenko, charged with

Lung. Possibly the general acted in the Banker Arnold.

Solvernor of Canton but much worse to occupy the comparatively humble position of guard to the governor. Kuang Lung must be a fairly tempestuous doughty Oriental. To escape assassination by a hair's breadth and immediately turn on and personally execute four attendants needs a kind of berserk rage. If the guards had been treacherously inclined surely they would have seized the opportunity of ridding themselves of Kuang Lung. Possibly the general acted in the Roll of Montrol and the Roll of Mon governor of Canton but much worse to serve the traditions of old-fashion
