Valentines of all descriptions at the Central Drug Store.

Valentines, conical and fancy, at the Central Drug Store.

Owen Sound Collegiate recently reorganized their Literary Society. Among the officers elected is Wilfrid Hunt, formerly of Glenora, and Durham H. S., who is the new Vice-President of the Society.

The Y. P. S. C. E. of Knox Church, Normanby, will hold a social on Feb. 11th, 1914. A good program is being prepared. Music will be furnished by the Dixie Choir, Ayton quartette and others. Lunch will be served. Admission 15 and 10 cts. Everybody come.

High School Progress.—The Secretary of the H. School Board has been notified by the County Clerk that C. L. Grant is appointed for three years, S. Hughes for two years, C. Ramage for one year. The latter fills up Rev. Dr. Fairbank's period. The Town Council has not yet made its appointment.

The Annual Congregational Meeting of the Presbyterian church will be held on Tuesday next, 10th February, at 2 p. m. Following the business meeting on same day another meeting will be convened by Rev. Mr. Cooper, minister, Moderator, for the purpose of extending a call to some one of the probationers that have been supplying lately.

Winter Session.—En route home from Ottawa over the week end, R. J. Ball, M. P., stopped over in Durham Saturday, and reports an exciting and strenuous session such as occurred last year in parliament over the navy bill and change act. On the contrary everything so far has run smoothly, and the redistribution bill will be introduced this week, for which he looks for no serious opposition. Work on our new post-office, Mr. Ball states, is to be commenced this spring.

Won from Mr. Forest's Best.—Following the continuation of the ice last Thursday was quite soft for the Mt. Forest-Durham hockey game here, nevertheless though not fast, a hard close match was played. Mt. Forest brought up their town's strongest line-up with one exception and were ahead at the half 2-0. The Durhams proved to be better stayers in the heavy going and in the last half did all the scoring with 3 goals, thus pulling out on top. Jim McLachlan was the referee and gave general satisfaction.

REMEMBERED THEIR ORGANIST.—A most pleasant social evening was spent at the home of Mr. Dave McAuliffe on Monday night when the Catholic choir and a number of friends in the congregation, paid a token of appreciation to Mrs. McAuliffe, their leader and organist in recognition of her services. This was in the form of an address read by Mr. Dan McGrath and presentation of a muff, silver tea pot, set of silver spoons and a gold cross and chain from her fellow choir members, Father Ferguson and a few other friends. The presentation was made by Misses Maggie McAuliffe and Irene McPhee. The evening quickly passed in music, games and dancing.

Kind Farewell to Mr. and Mrs. James R. Gun

Mr. Jas. R. Gun left on Tuesday for Hamilton where he has also transferred his business, believing that in the ambitious city he will find more room for expansion than is possible in his native town. Mrs. Gun follows in a few days and the best wishes of many friends here go with them.

There is a very distinct loss to the town in losing Mr. and Mrs. Gun from our citizenship. Both have been public spirited and were altogether such as make up the best element in any community. In the social life of the town they will also be missed, for both were bright and genial and hospitable to a degree. But more than all perhaps, their absence will cause a gap in Presbyterian church circles, where both were ardent workers.

On Monday last they were waited on by a number of friends and presented with a handsome silver tea service as a small memento of the regard of friends and accompanying the presentation was the following address which voices the sentiment of many friends besides the Bd. of Managers whose chairman signed representatively.

Durham, February 2, 1914
To Mr and Mrs J. R. Gun,
Dear Friends:—
It is with deep and sincere regret that the members of Durham Presbyterian church come to realize that the pleasant and cordial relationship which for so many years has subsisted between yourselves and us, has closed and the parting of the ways is before us.

During the years in which it was our happiness to be associated with you, we have ever found you ready and willing to bear cheerfully your share of the burden and willing at all times to accept whatever responsibilities might be committed to your charge.

In wishing you God speed we do so with the sincere desire that your ways may be "ways of pleasantness and all thy paths be peace."

We ask you to accept the accompanying tea service, as a mark of our esteem and appreciation of your services to our Church and trust that you may long be spared to use and enjoy it. Signed on behalf of the congregation.

J. S. McILRAITH,
Chairman Board of Managers.

A Sudden Call

Mrs. ROBT. TORRY

With startling suddenness came the call to the above lady. On Monday evening last she was in her usual health and with her daughters was visiting in the evening at a friend's house in Lower Town. Here she was suddenly stricken with paralysis and from the first the case looked grave. Her husband was soon at her side and next day she was moved to her own home on a couch still unconscious. She lingered through the night, breathing heavily but the end came at 7.30 Wednesday morning, bringing a grief on the home that only those who have suffered similarly can appreciate.

Mrs. Torry was a Miss Sheppard, a native of Hilton Co., having been born there almost 47 years ago. She was married to Mr. Robt. Torry in Georgetown in 1891 and the union was blessed with one son, Fred, of Walkerton and three daughters, two of whom survive, Misses Maggie and Rena.

To husband and children, deprived so suddenly of a loving wife and mother, the sympathy of the community is extended. Her friends bear testimony to her worth as a neighbor and the church she loved will miss her presence.

Interment will take place on Friday, following a service in Trinity Church to assist in the work of the Council to assist in the work of the Council and would abide the result gracefully. "The fortunes of war have been against me and with you and I offer you my congratulations." E. thanked you who had supported him.

Warden elect Breeze said he appreciated very much the spirit manifested by Mr. Calder and trusted his words were a harbinger of the harmony and co-operative spirit that ought to exist around any County Council Board.

Strenuous Time in Town Council

This body met in the Clerk's office on Monday night and while that contracted room is quite suitable for the duties that fall to our worthy clerk, it is totally unsuited for a council room where citizens are supposed to have listening rights and the privilege of looking on while the problems that are wrestling with municipal life. Now the Library basement is heated at night, heated with town money, it is a commodious place and comfortable, and we hope our Mayor will see to it that a move is made to this spot and citizens will say thank you.

We used the word "wrestling." It is a good word and aptly describes the mental arguments that prevailed on Monday night while attempting to solve the knotty problem of appointing tenders for tenders for either one of two groups of officials, alike with this exception, Group 1 included Assessor while Group 2 didn't. There were 3 applications for Group 1 and four for group 2.

Before opening tenders however, the Reeve and others thought the salary should be fixed for Group 1 which included assessor, caretaker of town hall, street inspector, health officer, constable, collector, truant officer, &c. Messrs Lenahan and Lloyd moved that it be \$650, Messrs Saunders and Cochran that it be \$500 with fees. The vote resulted in a tie and the Mayor voted for the lower sum.

The tenders when opened proved all in excess of this amount and the three tenderers all being present—Messrs C. Elvidge, D. McKelvey, H. Pettigrew, were asked if they would take the sum named and all refused at that stage.

There were decided opinions that the assessor should not be associated with the other offices, as Group 1 had it, and this was tacitly agreed to and consideration of the salary for the group without assessor resulted finally in settling it at \$500 and fees.

The tenders when opened were also in excess of this, but there seemed to be an understanding that some one capable was ready to take it at this sum and further talk over it ceased.

Mr. Lenahan is particularly insistent that the man in his constable capacity must be efficient, and the Reeve and others were not backward in declaring that efficiency had been at a discount since the days of "Jim Carson."

There were several spicy passages during the "wrestling" but calmness came about midnight over the easier question of appointing auditors. Messrs Koch and Ramage, auditors for the last four years were not satisfied with the remuneration, so the only two applicants at the old salary of \$10, Messrs Patterson and Arch Davidson, were appointed.

It is very likely that Mr. Elvidge, assessor for 13 years will again get the appointment.

An application for the moral support of the town towards the projects of the Great Waterways Union was, we think wisely, shelved. This part of Ontario is much more bound up with the Lakes and Welland canal traffic than with the \$200,000,000 Georgian Bay Canal project.
