A STRANGE PRISON.

A Clerk's Exciting Experience with a Monstreus Python.

The London representative of an East Indian firm was working late at the warehouse. A large consignment of goods, newly arrived. lay in the room that adjoined his office. The room was a simple affair of four chart-covered walls. There was a desk in the middle, a few chairs, and a large fireproof wire cage flew wide open, Cornie safe. It was nearly midnight, when Kernel jumped right up into the a sound from the next room induced the man to go to the door to investigate. Nothing seemed wrong, fluffy gown. and he returned to his work, but "This is the beautiful day of my eft the door ajar.

Presently a faint, harsh sound Companion. came from the next room. He sprang up, to behold the head of a huge snake protruding through the doorway.

When the reptile saw him, i stopped for a second, reared its head until it was almost on a level
