PLACED BIBLES IN HOTELS.—A representative of the Gideons, a commercial travellers' association, was in town recently and placed Bibles in the bedrooms of the various hotels in town. This society has carried on this work in all the large cities and towns of America during the past year.

While we have been experiencing the frost king's rigours and winter's storms, D. A. Smith, of Merlin, Kent County, writes: "We are all well; we have beautiful winter weather but no snow."

There will be four eclipses in 1914, two of the sun and two of the moon. The former will be eclipsed on Feb. 24th and August 21st and the latter on March 12th and Sept. 14th. That of the sun on the 24th will be invisible in this country, while the moon's on March 12 will be a partial eclipse. The latter's apparent diameter being hidden.

PIPE ORGAN FOR HANOVER.—The Baptists will have a fine pipe organ in their new church. They have raised \$1250 by subscription and Mr. Andrew Carnegie has promised to give a like amount. It will be news to a good many people that the Laird of Skibo Castle is handing around money for organs. Perhaps some other congregations who have fancied a pipe organ for years might learn something to their advantage if they applied to the little Scotch millionaire.

Obituary.

MRS. WARNER.

There died in Detroit on Friday last Mrs. Ben Warner in the 69th year of her age. She was residing with her daughter, Mrs. Harry Burnett, since September last and was in her usual health until a few weeks before her death when she took neuralgia of the head, which proved fatal.

Deceased was Miss Elizabeth Vollett born on the old Mountain farm, south of Durham, and has lived here all her life. She was married to the late Ben Warner in 1871 and three children survive: Frank of Blenheim, Mrs. H. Burnett, Detroit and Joseph of Singac, New Jersey.

Besides these as chief mourners, she leaves three brothers, Arthur of St. Catharines, James of Michigan, Thomas of Toronto.

Mrs. Martin and Mrs. B. A. T. of Toronto are sisters. Old neighbors and many friends here will long remember the kindly, generous spirit that has gone.

She was interred on Sunday in Durham cemetery mortuary services being conducted by Rev. W. W. Wylie.

Attending the funeral from a distance were her son Frank and her daughter and husband, brothers Thomas and Arthur, Mr. and Mrs. Battie and nephew Mr. Wilfrid Martin, Toronto.

MRS. ADAM ANGUS.

The communication following relates to a lady who has a number of relatives in Dromore and other parts of S. Grey.

The funeral of Mrs. Angus, relict of the late Adam Angus, took place Jan. 24, 1914, from the residence of her son Walter, 1155 Namayo avenue, to the Edmonton cemetery.

Mrs. Angus was born in 1833 in the parish of Lochalsh, Ross shire, Scotland. She came to Canada with her parents, John Johnson and Isabella Hastie, his wife, in 1836. She has five sons: John, of Galt, Ont.; James, of Kansas City, Missouri; Robert, of Aurora, Ill.; Rev. William Angus, of East Clair, Wis., and Walter, who resides in Edmonton.

An interesting document was presented by Lord Napier to their grandfathers, Mr. and Mrs. John Angus, on the eve of their departure in 1881 for the west. It reads as follows: "This is to certify that John Angus and Ann Dalglis, his wife, emigrated from this parish of Ettrick, in the county of Selkirk, as most respectable, honest and industrious people. I therefore recommend them to the protection and assistance of the well disposed from hence to the place of their destination in Upper Canada."

Given under my hand and seal at Thorne, in the said parish on the 6th of May, 1831, by Lord Napier.

Fall Fairs' Association.

By GEO. BINNIE.

The Annual meeting of the Ontario Association of Fairs and Exhibitions was held in the Canadian Foresters' Hall, Toronto, on Feb. 5th and 6th. The membership is composed of two delegates from each of the Agricultural Societies in the Province that choose to send them. There was a large number present representing fairly every district in the Province.

The meeting, controlled by President A. W. Crow, Chesley, was an orderly one, listening given to the addresses given and took an active part in the discussions that followed. The Report of 1913 was given by Mr. J. Locke Wilson, Secy. of Fairs and Exhibitions. "Never before in the history of our fairs and exhibitions in all classes of live stock, were exhibited so numerous or of such high quality. The weather for the year that could be desired, only \$3000 of the \$10000 grant being required to pay wet weather losses.

Societies that allow gamblers or fakirs to ply their arts at their fairs to the detriment of the pockets of the boys and give them nothing in return or something worse, were severely rebuked. A resolution was passed, asking the Attorney General to sum up the law on grounds where they will lose their grant. Indeed, some grants have already been withheld and he expected to hear something about them later.

He also spoke severely of magistrates allowing convicted gamblers to go on a suspended sentence. A resolution was passed to sum up the law on grounds where they will lose their grant. Indeed, some grants have already been withheld and he expected to hear something about them later.

Other subjects of more or less importance were brought before the Board of Directors to do so, and discussed by the meeting.

A resolution was passed asking the Minister of Agriculture for the Dominion to sponsor part of the ten million dollar grant to Agriculture to Agricultural Fairs in the provinces of Canada.

On the whole the meeting was considered a pleasant and profitable one for the delegates, who no doubt would help them in the management of their own local fairs.

Curling.

Warkerton curlers were over Tuesday afternoon for the return game, victory again perched on the Durham rinks, they being up 8 shots, 38 to 50. The Warkertonians are "in" a bunch of good fellows and no town would be likely to offer them a friendly contest.

A LABEL STORY

We have this week corrected our mailing lists to date. Is your label correct, dear reader? If not it is a mistake on either your part or ours. If it is on our part please let us know at once. If the mistake is on your part and you have not yet renewed, please do so at once.

Don't Have Your Label Behind. It is not a credit to yourself nor it justice to the printer who must meet his bills weekly or monthly at most.

Have your label read "Dec. 14" anyway, and if you put it ahead of that you can't be first unless you beat John A. McKinnon, of Staveley, Alta., whose label reads "Feb. 20" such is his faith in the Review.

Dear Reader in arrears, your prompt attention to this matter will oblige,

DORNOCH

A number of rate-payers from this district attended a meeting held last Friday in the Williamsford school-house for the purpose of discussing the proposed Guelph Owen Sound line of Electric Railway. The meeting was well attended and was addressed by the following men, Mayor McQuaker, Ex-Mayor Harrison and Town Clerk Gordon. The Electric Railway was shown to be different to the other lines of railway around here, in that it did not ask bounties and in that it was managed by the Hydro Electric Commissioners acting as trustees for the people. It is specially adapted for the country in that it can take a two per cent grade. Every line built by this company has proved a paying concern from the first year. Another meeting to discuss the proposed Electric Railway will be held in the I. O. F. hall, Dornoch, on Thursday night, Feb. 19.

Mr. and Mrs. John Skene, of Warkerton, are visiting at Mr. Robert Ledingham's.

Mrs. Scott, Toronto, is visiting with her sister, Mrs. Robert Hay.

Miss Jean Richardson, teacher of S. S. No. 2, Holland, visited with friends here over the week end.

Miss Pricilla Simpson spent Sunday at home.
