S. work were appointed throughout the Township. Mr. Geo. Looze of Hanover is President, and Rev. Mr. Younger, Secy. Treas. of the Association. A Sunday School Convention will be held in Elmwood in the early part of June.

DURHAM LAD A COMER.—Owen Sound's junior hockey team this week worked its way into the semi-finals but lost out to Oshawa, and much of the good work of R. A. Lushan, a former Durham boy, their goalkeeper this season. The O. S. papers have several times handed him bouquets and the Times last week in summing up the team's work for the season, says: "Lushan, in goal is only a youngster with 3 or 4 more years to go in the junior and his work in goal makes him a comer. He is another of the few youths to be uncovered this winter."

INSURED IN AN UPSET.—While a one-way containing fifteen jolly young people from town, was enroute to a party at Alex. Grier's, Bentinck last Thursday, they temporarily lost the road and ran over the ditch at the side, causing the sleigh to overturn. All were thrown out, but two of the party did not escape without injuries, one of these being Miss Maud Webster, of the Hahn House, has her arm sprained, while Mr. George Woods, miller at McGowan's, was caught under the runner. He badly wrenched his knee, which was greatly swollen some little time after. The accident took place about a mile this side of Mr. Grier's, where a yet confined to bed and unable to turn. Quite a damper was placed on the spirits of the party by the mishap and the injured, it is hoped, will rapidly recuperate.

HANOVER WAS TOO MUCH.—Superior condition and weight enabled Hanover hockey team to put over the Durhams here last Thursday night. In practical play, the game was Durhams, as in the first half and part of the last, the visitors were almost incessantly on the defence. However, it's goals that win, and the locals shooting were not effective, while shots which were dead on were invariably well disposed of by the visitors' goal tender. At the time Durham was in the lead 2-1, it should have been about 6-1, but in the second period, the condition of the visitors' regular league schedule was apparent, when they monopolized more of the play and scored three goals, while the locals were unable to do more than 2-2, for about 5 minutes, when the home team rained punches around the enemy's citadel in an endeavor to tie it up, but to no avail and Hanover took their fourth just before time was called. Mack Saunders returned a goal in the forehand, but played with the game. Oatton was probably the most effective home player. Dave Ries of Hanover referred. The Durhams from goal out were Stewart, Y. Elvidge, Catton, W. McGee, R. Saunders, A. Saunders, Mack Saunders.

Durham Hockey team played in Mt. Forest Tuesday night and were rather badly trimmed.

The Durham Branch Women's Institute are holding a social in the basement of the Presbyterian church, Durham, on Thurs. March 5th, at 8 p. m. A good program is being prepared and light refreshments will be served. Admission 10c.

Owing to a broken rail, the baggage and passenger coaches of the morning eastbound C. P. R. train left the track Tuesday at Maple Hill, West of Hanover, one of them turning sideways. Little damage was done and the engine went through as usual, but it was night before an auxiliary again had the cars on the track.

Conservatives in Convention.

Friday last the Annual Convention of the S. Grey Conservative Association was held in the Town Hall here. Weather and roads were favorable and there was a good attendance, the lower hall being well filled.

Mr. Jas. Wilson, Hanover, was appointed President, a position he once held before. Mr. A. H. Jackson was re-appointed Secy. There was considerable business along organization lines, two responsible workers being in charge of every ward in the County.

As announced two parliamentarians were present, J. W. McGary, M. P. P. of Ottawa. Business over, these gentlemen, Warden Breeze and Editor Lambert of Mt. Forest, and Mr. E. J. Bell, representatives of this riding, were seated.

We can give only brief notes of the speeches which were listened to attentively with occasional bursts of applause as some supposedly good points were made. Before long likely a similar gathering of liberals will assemble and applaud sentiments uttered with quiet sincerity by taking in the usual routine. It is the curse of partyism that men are kept apart, few indeed near both sides presented, speakers know that the audience are cordially receptive and thus are no doubt, sometimes led to say things that in a more mixed atmosphere they would shun.

An example of this was the charge made by Mr. Meigen that Sir Wilfrid Laurier, knowingly, gave some promise through 15 years and 5 elections, and how many of the most rabid Conservatives can believe such a statement. However we turn to our notes.

Dr. Jamieson gave his thanks for the victory of 1911, joined in congratulatory words to the return of independence of Sir James Whitney and was glad that in that day they would see in Mr. McGary a sample of the men of their party equal to any cabinet position.

Mr. McGary said Dr. Jamieson was a valued member of the party and all present listened to with respect. He went back to the dying days of the Ross government, deplored the alleged duplicity of the time and as an example of improvement in the party 216 elections since the change not one.

It will pay you to know about the low prices on H. Y. Oils, Corn and barley. A. S. HUNTER & SON.

Mrs. J. M. Benton desires to state emphatically she is not the writer of an anonymous letter received by the mayor referring to the case of independence in town. A copy of the letter she was never judged to be the writer. She says: "Never in my life have I written an unsigned letter and if it is in any way to call the notice of officials to a desecrating case I certainly would not be ashamed to attach my signature."

The dance given in the Town Hall, Durham, Feb. 23, by the Bachelors and Benedicts was decidedly successful. The spacious floor was kept well occupied by those anxious to indulge in the night frolic and those who were touched with partiality to the land of the Thistle, had their ambitions satisfied when Piper McDonald, Presville (Big Dan, as he is popularly called), and Black, W. Sackett on the violin, assisted by F. Runciman of Scotton, took on the piano, rendered such music throughout the evening as would do credit to some more touted musical organization. With intermission and lunch, the program lasted till the wee hours, when the party dispersed, all of us satisfied they had spent an enjoyable evening. Mr. W. Cox acted as floor manager.

Want Hydro-Electric Railway Durham to Owen Sound

Enthusiastic Meeting at Dornoch

(By our Dornoch correspondent)

A meeting in connection with the proposed Hydro-Electric railway from Guelph to Owen Sound, with the building packed to the doors and representatives from the four townships of Holland, Sullivan, Glenora and Bentinck, and from Williamsford, Louise and Crawford, was held in Dornoch hall on Thursday evening, February 19. Mr. Chris Robertson was appointed Chairman and addressed by L. C. Privat, Dr. Smith, J. H. Parke, Hugh Reddell, Wm. Lister and S. Puthorugh were present. These mainly emphasized the need of this district for a railway, the lay of land which admits of a fairly level route, the amount of freight and passenger traffic available, which would put any line on an immediate paying basis, the substantial character and carrying capacity of electric roads, the fact that such roads are constructed by the Hydro-Electric Commission under the Provincial Government and ultimately belong to the municipalities, so that neither the much dreaded "Company" or "Bonds" have to be considered, and the necessary steps to be taken to secure a preliminary survey by the Hydro-Electric Commission.

A resolution, in the form of a letter to the Hydro-Electric Com., prepared and presented by L. C. Privat, was approved and subsequently signed by all present. This resolution commenced with a diagram of a proposed route from Dornoch, Williamsford and Desboro, showed first the need of railway facilities and the slight electric difficulties to be met with along said route and second, the prospects of road being a paying proposition in that it goes through a well settled and rich farming country, hundreds of acres of undeveloped marl beds, several hundred-wheeled and partially developed water powers, numerous thriving villages, and thus be assured of a good annual income from the freight on merchandise now coming in, and the large weekly shipments of stock and farm produce.

J. H. Parke and Robt. Corlett, who had been appointed a committee to interview Bentinck Council and secure their approval of a petition to the Government to ask the Hydro-Electric Com. to make preliminary surveys and collect data that, if satisfactory to them, could be made into an agreement for the construction and favorable or favorable vote of the ratepayers of Bentinck, reported that they had met the reeve and local councilmen on the matter before the board. They also read the following communication from the Clerk of Bentinck: "At a special meeting of Council Feb. 18, moved by James Turnbull, secy. by F. Schmidt to sign agreement as presented by the Radial Railway Co." Carried.

Geo. Brown, Reeve.

It was moved by Dr. Smith, secy. by J. H. Parke and unanimously carried, that this meeting regrets the action of the Council of Bentinck, as they by refusing to approve of petition, which in no way binds the Council or Municipality to any monetary payment, but through preliminary survey has to be submitted to vote of ratepayers, takes away all prospect or chance of securing railroad.

It was also moved and carried unanimously that a deputation consisting of J. H. Parke, Dr. Smith, H. Reddell, S. Puthorugh, K. J. Corlett and W. Lister be appointed to interview the Council of Bentinck with a view to getting recognition of the petition.

LATER.—A meeting, at which the Bentinck Council have agreed to meet appointed deputa. ion, and at which Dr. Jamieson, M. P. P., Wm. Gaider, Reeve of Durham, G. Gordon, Clerk of Owen Sound, and others are to speak, has been arranged for in Dornoch hall on Friday, 27th February at 8 p. m.

Mr. Fred McIntosh of southern Alta, hale, hearty and energetic as of years, is visiting his uncle, Mr. P. McIntosh at present. He reports good crops and good times this year in that part of the West.

At the missionary meeting of the Y. P. S. on Sabbath night, slides showing the need for and the good results for the mission work in Central India, were shown by magic lantern to a large and interested audience.

OLD BOARD ELECTED.—A message from Toronto announces the re-election of the old Board of the N. P. C. Co., with a harmonious meeting.

Mr. Jao Adlam, of Mulock, met with a bad misfortune last Friday in getting the front finger of his right hand cut off with his gasoline sawing machine while cutting wood. Whether it will grow again or not is not known yet. Meanwhile he is pluckily continuing work, driving with his left hand.

Coming.—The Concert Event of the Season—Friday, March 6th. Durham Presbyterian Choir will present in the Town Hall, a Musical Comedy, entitled "The Tale of a Hat,"—the first entertainment of this nature ever held in Durham. It will be a rare treat. Keep this date free and come and enjoy it. Admission 25c, reserved seats 35c. Plan now open at MacFarlane's.

GLENGEL FARMERS' CLUB MEETS.—Over 100 were present at the meeting of Glengel Centre Farmers' Club on Monday evening at a profitable night of social and dancing. Mr. Purdy spoke on the Agricultural College, describing the different courses given there, more especially the short course, which he had attended. "Success in Life" was the subject spoken on by Mr. Jno. O'Neill and a splendid and eloquent presentation of it was made. Binnie rendered several appreciated songs and a dance followed the regular session. Next meeting falls on March 12th.

A FLOURISHING CONGREGATION.—It is a hopeful sign for moral progress when we read of the financial success of churches. The latest we have heard of is the congregation of North Mornington whose pastor is widely known in South Grey, Rev. John Little. They have had a record year, built one of the best horse sheds in the Prov. of the best about \$400 and it is all paid for this year. Some 90 families raised \$3000 for all purposes, over \$200 for Missions, increased their past year's stipend from \$1000 to \$1200 and are planning for all modern conveniences. Rev. Mr. Little's optimistic, cheery piety was ever an inspiration and his many friends here rejoice over his success.
