EVENTUALLY

Every window and every door where ever made of wood will be equipped with

All-Metal Weather Strip

The specially designed and up-to-date method now generally adopted for effectively preventing entry of all draught, snow, sleet, rain or dust of any kind, thereby insuring an even temperature throughout the building.

Why Not Now

Why deny yourself the maximum of comfort at the minimum of expense. All metal-weather strip costs less, is far more effective than storm sash and is a permanent institution, requiring no removal. Most public buildings in large cities are equipped with it. Architects specify it, the Government demands it.

Saves its cost in Fuel in a short Time

Last week was a week of auction sales for the farmers around here. On Tuesday Mr Nelson Eden had his sale which was well attended and a good price was obtained for nearly everything offered for sale, especially cattle and hogs.

On Friday of the same week, Mr David Leith had a very extensive sale of fancy goods. A change has come in many things as it does in other things. In former years the great interest of a sale was centred in the horses, but this year the cattle and hogs take first place.

Several from here attended the entertainment at Knox church and report a good time, while a few took in the box social at Hampden and enjoyed it so much that they did not get back long before daylight.

This Monday afternoon Mr Thos. Russell had a very successful wood-burning and got a fine lot of wood out. In the evening there was a very enjoyable party, at which the young men worked even harder than they did in the afternoon.

Mr and Mrs John Kerr attended the funeral of Mrs John Muir of Hanover on Tuesday.

Most people will be quite glad to hear February is past if it is the means of bringing a warmer weather. This month seems to have had an unusual number of intensely cold days.

ROCKY SAUGEEN The W. H. M. Auxiliary of Barnes Church will hold their annual thank-offering meeting at the home of Mrs J. Vessie on Wednesday, March 4th, at 2 o'clock, when Mrs C. L. Grant, of Durham, is expected to address the meeting and as this is the last Home Mission meeting before the amalgamation, we hope to have a good attendance.

The Sacrament of the Lord's Supper will be dispensed in the church here on Sabbath, March 1st, at eleven a. m.

Mr Alex Morton and his sisters Belle and Agnes spent Wednesday evening with their uncle and aunt here.

Sorry to hear Mr F Milburn is laid up again, being confined to the house now for over a week. We hope he may soon be about again.

Mr and Mrs R. A. Lawson and their two sons Alex and Jack spent last Saturday with Mr and Mrs A. Morton.

Mr Walter Middleton and his mother visited over the week end with Mr McGann and other friends around Dornoch.

We were pleased to see Mr James Wilson able to be out again, after his recent illness.

Mr John Vessie lost a valuable steer last week, which is a heavy loss at present prices.

A lady and gentleman friend went to visit a neighbor one evening recently and on going home, as it was snowing heavily, lost their way and were rather late getting to their journey's end. How is that for Ontario?

MISS ROBINSON, of Hepworth, is visiting with her uncle, Mr David Robinson.

Mrs Albert Six (nee Margaret Means) left her home in Spottler after spending a couple of months, with her mother and friends here.

The funeral of Mrs John Muir, late of Hanover but formerly of Hampden, will leave her residence for the cemetery here on Tuesday at 1:30 o'clock. Mrs Muir was one of our respected pioneers. She leaves to mourn her loss one son and two daughters, all of Hanover.

Miss Jean Derby is nursing a case for Dr Jamieson at Priceville.

Build up Your Strength

Rexall Wine of Cod Liver Extract contains all the valued Drug principles of purest Cod Liver Oil without the nauseating taste of the oil itself, and has proven ideal in treating run-down, weakened conditions, especially in children. Most persons in whom are found tubercular tendencies are to a greater or less extent anemic—the blood pale and impoverished. Rexall Wine of Cod Liver Extract, in addition to the medicinal virtues of Cod Liver Oil, contains peptonate of iron to help supply this deficiency.

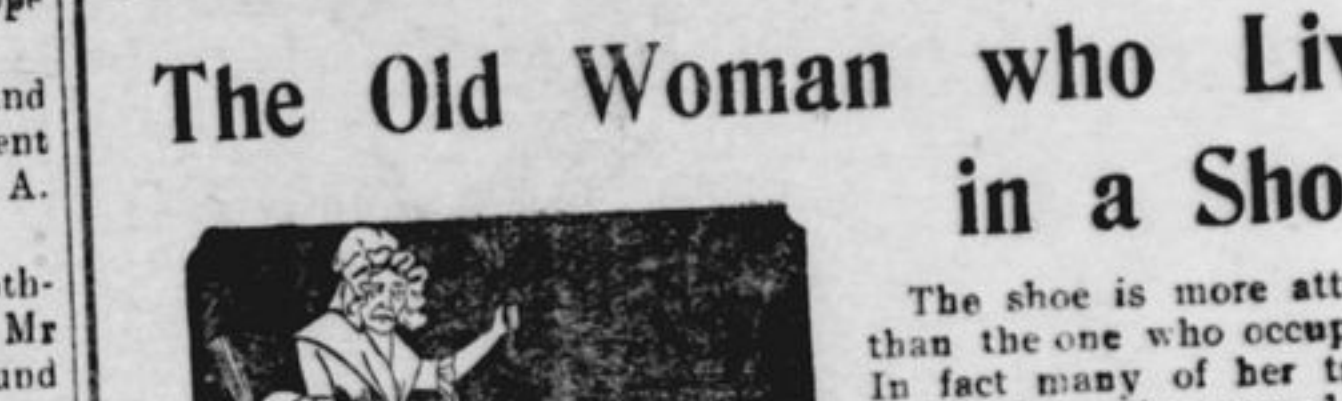

In the treatment of children who are pale and listless and who catch cold easily, you may confidently expect an increase in the appetite and weight and the general appearance of good health very quickly after beginning the use of

Rexall Wine of Cod Liver Extract

sometime after two or three days' treatment. We strongly recommend, however, that the treatment with Rexall Wine of Cod Liver Extract be continued until such a time as there is every indication of a perfect, healthy condition. Aged persons who find their general strength below its normal state will find in Rexall Wine of Cod Liver Extract that mild healthful tonic of which the system is so greatly in need. Remember, Rexall Wine of Cod Liver Extract is guaranteed to satisfy, or money back. PRICE, \$1.00.
