All-Metal Weather Strip

The specially designed and up-to-date method now generally adopted for effectively preventing entry of all draught, snow, sleet, rain or dust of any kind, thereby insuring an even temperature throughout the building.

Why Not Now

Why deny yourself the maximum of comfort at the minimum of expense. All metal-weather strip costs less, is far more effective than storm sash and is a permanent institution, requiring no removal. Most public buildings in large cities are equipped with it. Architects specify it, the Government demands it.

DORNOCH

Although the spring months have come yet King Winter still shows himself by covering Old Earth with additional blankets of the white mantle. In consequence the logs still continue to come into our local mill and colds are as ready as ever for the unwary.

A number of young people of the surrounding and Edge Hill districts, spent a pleasant night at the home of Chas. Mortley. The night was spent in the usual pastime, dancing which was continued till the early hours of the following day.

Mr. Michen, an uncle of Mr. Parke's is visiting at the latter's home. Mr. Thos Flanagan is seriously ill with pneumonia.

Intended for last week Another and likely the last and worst of our winter storms passed over this province on Sunday and Monday. Although it did no damage here, we understand that in some parts it caused great destruction of property.

Mr. and Mrs. John Skene, of Wiar-ton, who have been visiting and renewing acquaintances in and around here for the last two weeks, have returned home.

Miss Annie Alexander has returned from Hamilton for a month's visit at and around her home.
