YOUTHFUL APPEARANCE

An Asset to Every Woman Gray Hairs a Source of Discontent Every woman wishes to look young always. Gray hairs mean the passing of youth's bloom. They are the source of many a heartache to many and many a woman. But they need not be. Hay's Hair Health restores gray hair to its natural color. It is not a dye. By its tonic qualities, by promoting a new vigorous, healthy growth of the hair, by removing dandruff, by furnishing the scalp with hair roots a new life, it brings back the real color and lustre of the hair. If after a fair trial according to directions, it fails to do this, we will refund your money. \$1.00, 50c, 25c. Get it at our store. Sold and recommended by MACFARLANE & CO., Druggists Durham, Ont.

The Durham Review

APRIL 16, 1914 The New South Grey. Last week announcement was made in the Legislature of proposed changes to be made by the Redistribution Bill. Four ridings as at present are to be cut off, but six new constituencies are to be created thus increasing the membership of the House by two. One of the new ridings will be formed in Northern Ontario and Toronto will get three or four new members. The Mail and Empire says: "The Grey ridings will still send three members to the Legislature. Hon. Mr. Lucas explained that the three had a population of about 60,000. The boundaries will, however, be altered somewhat. The township of Artemesia will be taken from Centre Grey and placed in South Grey where it formerly belonged, while Meaford and St. Vincent will be taken from North Grey and put in the Centre riding." This may tend to equalization of population and with Artemesia added will make South Grey a difficult proposition to handle from a Liberal standpoint. There is a likelihood that Bruce will be reduced to two ridings, North and South, which would get rid of one Liberal in that county, and Middlesex is likely, also to be reduced to two ridings.

Conservative Young Men Quite the most significant event of the week was the deputation of conservative members of the Ontario Young Men's Association, which waited upon the Government and presented a petition signed by 9000 conservatives asking for more advanced Temperance legislation. The petition was over 200 yards long and requested "That you pass an act in the Legislature abolishing all liquor shop, bar and club licenses in the province, such legislation to come into effect only and thereupon automatically--after a majority of votes have been cast in its favor, in a plebiscite on the question, presented to the people within a year after the passing of the act." The memorial signed by the deputation representing the executive, declared: "Supporting loyally as we have done and as we do now, the general record of the present Government and its many advanced policies, it would be with reluctance that we should find ourselves obliged to forsake the Conservative party in order to see a Liberal Government proposed through, but if the present situation continues we will feel morally bound to pursue that course." The Government was non-committal in its answer to the deputation. One of the matter will undoubtedly be heard, as the petition revealed a widespread revolt among the young men of the conservative party on the temperance question.

The Failure of the School Book Policy. It was brought out the other day in the Legislature that certain school grants to trustees had to be lopped off 28 per cent because the expenditure had to that extent outrun the estimates. The query naturally arises: What is the education department doing with all the money it gets? Mr. Marshall and other members of the Opposition have been pointing out that one serious cause of waste of money is the stream of unnecessary and some of them foolish school books being feisted on the schools at the expense of the department apparently to give jobs to some unnamed editor-friends of the officials. On Tuesday Mr. Marshall read to the House some passages from one of these books: "God may forgive sins but awkwardness has no forgiveness in heaven or earth." "A parlor maid is no more privileged to use the front stairs than the cook." "A man may wear a black tie at the theatre or a small dinner, but he should wear a white tie at the opera or a large dinner." "A guest, after a visit even a short one, is to bestow upon a servant a small fee." "At church a man should wear a frock coat and a tall hat." The country is taxed for printing and distributing to the schools books of such calibre as this.

It would be generally admitted that if anyone is competent to give expert testimony on school books and school book making it is Mr. George N. Morang, of Toronto. Last week in giving evidence before a state committee at Atlantic he testified that the Ontario Government's method of making text books is a costly one to the country and that the claim of saving and cheapness is a sheer fallacy. Mr. Morang testified that the Ontario method of procuring and paying for the plates and composition was higher than if they were produced by a private firm and that all the so-called publishers had to charge for was only the paper and binding.

DORNOCH Easter is again here and with the holidays the teachers of the district have left for their respective homes--Miss Reid to Bromore, Miss Frock to Hanover and Miss Warnock to Peterborough. The Durham High School students, John Ledingham, Layla Mortley and Lyla McKnight are also spending their holidays at home. Miss Essie Campbell and her aunt, Miss M McKennie, returned to their home after spending the winter months at the home of Mrs W Robertson, the former's sister. The first auto of the season passed through here on Monday. Rev T. W. Mills conducted preparatory services in Chatsworth and Desboro on Friday. Mr. C. McIntyre and his sister Mrs. J. Stewart spent Friday in London. News was received on Saturday of the death of Miss Lulu Smith, only daughter of Rev. Dr. Fraser Smith of Glencoe. Deep sympathy is felt for the bereaved family. Mr. Wm. Smith left on Tuesday to attend the funeral of his niece, Miss Lulu Smith.

Impressive Services Mark Funeral of Jno. A. Ledingham

Impressive funeral services for John Alexander Ledingham, age 49, who died Thursday after a brief illness, took place yesterday afternoon from the Second Presbyterian church, 1515 West Superior street. Rev. John A. McGaughey officiated. Short services were held at the residence because of the illness of Mrs Ledingham. Members of the locomotive engineers' organization attended in a body. Services were conducted by Worshipful Master Carl E. Longren at the Trinity lodge, Masonic order, West Duluth. Mrs Ledingham's brother, William White, and the deceased's brother, James Ledingham, accompanied the body last night to Chatsworth, Ont., Ledingham's former home, for burial. J. A. Ledingham was an employe of the Northern Pacific Railroad company for more than 23 years and was one of that company's most trusted men. He was an elder of the Second Presbyterian church and has been an active member of that institution since its organization.--Com.
