WORK FOR OUR HEALTH OFFICER .-That is, when one is appointed. At Monday night's council meeting, Dr. THB McNally, Dist. Health Officer, stated that during the few hours he had been in town he had noticed several much needed changes required to put our own in a sanitary condition. Nothing, he said, had been done since his visit last year and some of the more glaring conditions must be remedied at once. He referred to manure being left uncovered, the garbage on the river bank, etc, etc. Rev. Mr. Prudham in his sermon Sunday evening also referred to the disgrace of our unsightly and unhealthy river bank in the centre of the town, where the Saugeen might be transformed into a thing of beauty.
