Lightning Rods

A Balletin advocating the use of

lightning rods on buildings has just been issued by the Ontario Department of Agriculture. Prof. W. H. Day, of the staff of the Ontario Agri-cultural College, is the author of this ter Mary at Maple Lane Monday and Bulletin, and he demonstrates, after a series of investigations covering thirteen years, that lightning rods are the protection that science claims them to be. In Ontario in 1912 the efficiency of rods was 94 1/2 per cent. From the reports of insurance com panies Prof. Day found that in every McMillan, Mary Aldcorn, Edna Fer- celebrate the 25th in Dandalk. This Store Recommends TAPALAC because it gives a household article that no mere varnish can give. JAP-A-LACthe Furniture-Saver

A THEN you start on your campaign of home-beautifying this Spring, don't just ask for "varnish" — ask for JAP-A-LAC; and don't be content with anything but JAP-A-LAC. Always put up in Green Tins, bearing the name "GLID-DEN." Made in 21 beautiful colors, providing for

every possible requirement of the housewife, JAP-A-LAC is indeed a wonder-working aid in keeping furniture, floors and woodwork "spic and span." No matter how badly scratched or marred a piece of furniture may be, a coat of JAP-A-LAC will make it look like new. It covers up the scratches and produces a beau-tiful, brilliant, durable finish. Quickly and easily applied.

No experience required. Ask your local hardware store for the JAP-A-LAC color card and book entitled "A Thousand and One Uses of JAP-A-LAC."
