

perience purity, wear and beauty of atched. Courteous service 2) MONTREAL One.

A Foolish Young Man;

Or, the Belle of the Season.

Stephen was as white as a ghost, and there was a look of absolute terror in his dark eyes. On the face of the settling in England for some time. I other man was an enigmatical smile, think," he added. "And he has built "The two buildings were about two no iresh butter is to be procured themums, can be kept fresh for days which was more bitter than a sneer.
"You are all right?" said Stafford:
"but I am afraid you were very much plate in his alert, watchful way. which was more bitter than a sneer.

While they were speaking, the two elder men drew apart as if instinctive- Orme!"

Yes," assented the other, drily; "yes, am here right enough. Which is it a moment, then he turned to Stafford. "Stafford, this-most extraordinary- Falconer, I have not seen very much of this is an old friend of mine. Falconer him. this is my boy, my son Stafford!"

been resting there for a few hours, Maude, he said to that young lady, who was standing looking on at the group was standing looking on at the generally, but more particularly, under her lids, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at Stafford: "this is a very strange meeting between old friends, at St
