ADVERTISING is the public expression of a master's will and wish -his word of power.

We want to say this to the merchants of this community;

You CAN make the public of this community buy more goods from you.

You CAN teach the public new customs new tastes, new habits. You CAN make fhe public do what it is not in the habit of doing. Powerful and persistent Advertising has revolutionized modern life. It sends people travelling. It has made them photographers. It has made the motor car a necessity. It makes women change the fashion of their apparel twice or thrice a year. It selects the very food we eat.
