Pine Tree Flour—the best by test. Sold by Mrs. A. Beggs & Son.

Strictly pure **Green and Potato Hog Killer** at MacFarlane's Drug Store.

The Baptist Sunday School are picnicking this Wednesday afternoon in Saugren Park.

New Pennant—fine assortment colleges and cities, regular 50c for 2c or 4 for \$1 at MacFarlane's Drug Store.

RESIDENCE FOR SALE—Frame two-story house, 7 rooms, centrally situated on Garafroxa Street. Stable and woodshed. For particulars, apply at this office.

A general store business, we learn, is to be opened up in the McIntyre block, after August 1st, in the premises now occupied by the pool room. A five year lease has been given necessitating Messrs Cox and Rabb, the proprietors, to seek new quarters.

NEWSPAPER POSTAGE—Newspaper publishers have received notice from the Postmaster General that postage on newspapers mailed from the office of publication will be charged at the rate of one cent per copy. If this order is enforced it will mean ruin to many publishers as one half of the local papers would have to cease publication or raise the price of subscription at least fifty per cent.

The Ford Motor Co. of Detroit which is laying off 6000 men because of dull business, has declared an extra dividend of 100 per cent, which means a disbursement of \$2,000,000. Henry Ford, who owns 58 per cent of the stock, will get \$1,170,000. A year ago the company paid a \$10,000,000 extra dividend. The regular quarterly dividends are 15 per cent. What do the unfortunate stockholders do with the money?—Saturday Night.

McDONALD'S MAJORITY INCREASED—The record of the votes cast in the recent election in North Bruce was carried out in Walkerton last Friday, under the supervision of Junior Judge Klein and resulted in the majority of 14, credited to the Liberal representatives. Mr. W. McDonald, being increased to seven. There were a number of ballots with counterfoils attached which the judge counted in. The elimination of these would have increased the Liberal majority.

AN EDITOR WEBS—The marriage took place in Toronto Wednesday of Mr. J. A. Wesley, editor of the Walkerton Herald and Times and Miss Edith Hill-dred, daughter of Mr. and Mrs. H. A. Hill-dred of Berwick. Mr. Wesley is one of the cleverest paragraphers of the country press and his brethren of the quill will join hands in extending congratulations on this auspicious occasion. We trust that his wife will see that he turns the wringer on wash day, keeps the wood box filled and stays at home nights.

HORSES GOING DOWNS—A dozen or more buyers were present at the July horse fair last Thursday and about 30 horses changed hands. The heavy downpour during the middle of the afternoon caused less deals than would otherwise have taken place. Scarcely as many horses were brought in, and prices were not as good as previous fairs. In conversation with Mayor Black, he informed us he looks to see prices fall before winter, as the demand is not pressing and they had sooted rather high.

The annual picnic of S. S. No. 9, Glengie, came off Wednesday of last week in the grove opposite Mrs. John Bell's residence. There was a big crowd present, including many from town and all thoroughly enjoyed the day. A baseball match—5 innings—was played between Glengie and Durham teams and won by the latter, 7 to 6. McGirr and McLachlan were the pitchers. The feature of the afternoon was a "stumped" race between Miss Jean McGowan and Mr. Jas. Ackinson, which was a neck and neck event until the latter tripped and fell.

PRESBYTERIAN GARDEN PARTY—In perfect weather the Ladies' Aid of the Pres. Church scored their greatest success on Friday evening last. The attendance was large, the program good and the sales at booth and tables were satisfactory, the proceeds amounting to \$122. As usual the grounds were lit by electricity, the band was present and was a substantial aid to the success of the evening in many fine selections. Rev. Mr. Whaley was chairman during the program. The choir gave three choruses "Men of Harlech," "Soldiers' Farewell" and "Under Southern Skies" whose rendering was done most efficiently and with taste. A male quartette composed of Messrs A. W. H. Lauder, W. S. Spenders, Ed. Buschlen, Peter Ramage made fine contributions to the program and three duets were equally effective in winning hearty applause, the pairs being Miss M. Hunter and J. H. Harding, Mrs. Stonehouse and Miss Alice Ramage, W. S. Spenders and Ed. Buschlen. The net proceeds are to be applied to reducing the debt on the organ.

VARNEY, 5TH AUGUST—On this date all roads will lead to the great Garden Party to be held in Mr. John Kerr's orchard, Varney, under the auspices of the Methodist Church. In addition to speeches to public men and a splendid musical program, there will be a Professional Entertainer with high-class selections. Mark the date. Admission 25c and 15c.

AUCTION SALE OF CATTLE—R. R. Long, of Listowel, will offer for sale by public auction, 20 choice Durham grade cows, also a number of calves from one to six weeks old, on Saturday, August 1st. Four months credit on approved joint notes, 8 per cent per annum discount for cash in lieu of notes. It will be a great opportunity for farmers to improve their stock at the Hahn House, Durham.

R. H. FORTUNE, Auctioneer.

DANFORTH SNOOZE—While painting the steeple on the Catholic Church here one night last week, Jack Murphy, the steeple-jack, fell asleep and when discovered was taking a comfortable snooze on a rope seat about two hundred feet above the ground. As he was reported to have been drinking heavily before going up, fears were entertained that the booze would make him top-heavy and that while under the influence of Morpheus he would topple forward and fall into the hands of the coffin trust. Efforts were consequently made to arouse him from slumber by shaking the rope, but as these were unavailing he was left to finish his nap, there being some doubt as to which world he would ultimately wake up in. He finally issued safely from his dreams and came down, when he was subsequently placed on the Indian List to avoid a similar future recurrence.—Walkerton Times.

WEDDED IN TORONTO—The marriage was solemnized at noon on Wednesday, July 15, at the home of the bride's parents, Brunswick Ave., Toronto, of Thomas Herbert McClocklin and Miss Ethel Edna Mooney, both of Durham. The wedding was a pretty, but very quiet event, the nuptial knot being tied by Rev. Dr. Wallace in the presence of only the immediate relatives. The young couple were unattended. They left on a honeymoon trip down the St. Lawrence, through the Thousand Islands to Montreal. The groom is a native of, and one of the town's best-known and popular young men, while the bride is also well and favorably known through her business as milliner here. The Review joins their many friends in wishing them a happy and prosperous future.

The Army Worm

On account of the crops in some districts being badly attacked by this pest, it is advisable for every farmer to be on the lookout and ready to combat it if it comes his way.

The army worm is about one and one-half inches long when full grown, and is striped with black, yellow and green, of a dinky appearance and much resembling the cutworm. When detected, all efforts should be centred on keeping the worms out of crops not yet attacked. A deep furrow, (several furrows are better) ploughed around the fields with the vertical or steep side of the furrow next to the crop to be protected, serves as a barrier to prevent the march of the worms, as they will not be able to crawl up the straight side of the furrow. Holes or pits should be dug in the bottom of the furrow every ten or twelve feet to catch the worms as they crawl along looking for a place to get out. They can then be destroyed with a blunt stick or by burning straw over them.

By thoroughly spraying or dusting a small strip of the crop in advance of the worms with Paris green, and liberally distributing poisoned bran (mixed at the rate of fifty pounds bran and one pound Paris green with enough molasses and water to sweeten it) large numbers may be destroyed. A field so poisoned must not be pastured until rain has thoroughly washed it. Whatever is done must be done quickly and at once, for a single day's delay may often mean the ruin of a valuable crop.—E. C. N., Commission of Conservation.

Obituary.

MISS CARRIE MCKECHNIE—As we briefly intimated last week, this well-known young lady passed away under very painful circumstances on Thursday, 16 July. She was in her 31st year and had for years been the light of her home and the stay and solace of her widowed mother, whose only daughter she was. Stricken suddenly with appendicitis, a serious operation was performed and for two weeks a successful issue seemed assured, the patient being of buoyant disposition. But death was in the cup and the brave struggle, which interested many besides her own family and friends, ended in defeat.

Besides the bereaved mother, there remain as chief mourners five brothers, Hugh of Fincher Creek, Malcolm (deceased's twin brother) at home, Alfred and Archie, Calgary, Philip in South Mexico. Of the distant brothers, Archie is the only one who got home.

Deceased's father died 8 years ago, and a sister Katie about 16 years ago. A great concourse gathered at the funeral on Saturday last, services being conducted by her pastor, Rev. Mr. Mills. A useful life is ended, but the memory of her usefulness in the home, her devotion to church and Sunday School work and her genial companionship will long be remembered.
