BITTEN IN THE FACE—While playing with Mrs. C. E. Seymour's pet bull dog on Saturday, Mrs. Thos. Might, one of her little daughters Hester was badly bitten in the cheek by the animal. Not till Mrs. Might's, who is employed at Mrs. Jackson's, turned round and went to the child, did the dog let go his hold. The little girl is about as well as ever again and only a couple of marks on her face are left as reminders of the accident.

DOG POISONING—All the mean people in the world are not dead yet and we have a few of them in this town. By the aid of darkness, they committed a malicious act last Thursday night when several dogs at the south end of the town were poisoned, six of the animals dying. W. C. Vollet, barber, lost one, while D. Gibson had a pair poisoned. We did not hear the names of the other owners but the deed is one which should be traced down, if possible, and have the culprit punished by a law.

An interesting meeting held in the Varney Methodist Church on Tuesday evening resulted in the organization of an Adult Bible Class, of which the following officers were elected: President—Mr. Ernest Leeson; Vice-President—Mr. Ernest Leeson; Secretary—Mr. Mansfield Leeson; Treasurer—Miss Mamie Mountain. A contest for securing members was arranged, the sides chosen taking up the task with much enthusiasm. It was decided to hold the meeting on Wednesday each week at 8 o'clock and a hearty welcome is extended to all who care to come along. A picnic will be held next Wednesday (29th) at the lake and the members are looking for a good time together.

Rally! Rally! Rally!

A mass meeting will be held in Durham Town Hall on Friday evening this week to take steps to form a military unit or corps of young men to undergo instruction in military tactics through with no thought at present of going on active duty. The times and the situation call for action of some kind to make an outlet for patriotic sentiment.

This corps will not be part of the 31st Regiment but will be a sort of home reserve force for which government will provide instructors.

Town and country are invited to this meeting on Friday evening in Town Hall at 8 p. m.

Horticultural Flower Show

The first Annual Flower Show held by the active Horticultural Society here resulted in a great success, and the Town Hall on Thursday evening last was an attractive place for both eye and ear were gratified.

The judge, Mr. Baldwin, Toronto, in an address spoke very highly of the show as a whole admitting that few places comparable to Durham could equal it. Several individual specimens were the best he had seen. He gave some practical hints as to habits of growth and treatment of certain plants and offered to come again to give a lecture if desired. He had kind words for the officials, especially the enthusiastic Secretary, Mr. C. Firth.

The platform work was contributed to by Miss Irwin on the piano and Mr. Geo. Vyrs on the Cornet who each maintain their high reputation. Mr. Giles gave a patriotic piece "Rule Britannia" and offered to come again on an accordion gave the audience a treat they seldom hear from that instrument.

Perhaps it would not be wrong to say that two young ladies in the way of appearing, Miss Whittaker of Ceylon and Miss Henderson of Fisherton. We have heard nothing so sweet nor so naively rendered as "Beautiful eyes of Blue" by Miss Whittaker for a long time. She has an attractive stage presence and both are to be commended for clear enunciation.

A pleasing instrumental duet was given by Misses Margaret Hunter and Alice Ramage, while Miss Irwin contributed several of her fine instrumental solos.

Patriotic Concert

Red Cross Society Organized

It was a unique Patriotic gathering that assembled on the lawn of Dr. Jamieson, M. P. P., on Friday evening last. Galled by the ladies of the town to devise and carry out generous measures on behalf of the sick and wounded Canadians likely to result from the bloody war now in progress, it met with a generous response.

The ladies in the afternoon made provision for a supper the charge to be 10c, but many of course did not confine themselves to this measure and the result was that a sum of \$22 passed through Miss Rutherford's hands, who proved to be a most efficient gatekeeper where there was no gate. When all had been supplied with comforts for the inner man from the abundance of excellent material provided, arrangements were made for a program of speech and song and on motion of Dr. Jamieson, Mayor Black was invited to the chair and after some appropriate opening remarks he called off a lengthy program, of which we can give but a mere outline.

It goes without saying that a patriotic fervor was abroad and the songs and speeches were almost all of patriotic nature. Amongst the speeches were Rev. Mr. Hartley, Rev. Mr. Prudham wearing the Red Cross emblem and giving a fine history of the origin of the Red Cross movement, Rev. Mr. Wylie Wm. Irwin and C. Ramage, Mr. Thos. Allan and Dr. Jamieson at the close of the program while moving a vote of thanks, took occasion also to make patriotic utterances. Amongst the topics of the speakers admiration for the fine spirit of unity displayed in the British Empire in the crisis, was a prevailing sentiment. Local factions as in Ireland had buried their differences, parties at Ottawa were united in promoting war measures, men of foreign origin in Canada were patriotic and loyal as the British-born and about ten of the animals bought might be thus classed, one of them a fine horse of Mayor Black's.

A SAD AFFAIR—The Deloraine Times of August 13th, tells the story of the tragic death of Mr. Wm. Arnott, whose wife is well-known in Boothville neighborhood. He removed to town last winter, being troubled with a heart affection, but this day was at the farm in his usual health assisting a nephew at the harvest. He borrowed a gun to shoot at some wolves he had seen and not turning up at home a search was made and his lifeless body was found with indications of suicide. Much sympathy for Mrs. Arnott and daughter will be felt by her old neighbors.

EWING-KENNEDY

A quiet wedding was solemnized at the home of Mrs. Chas. Kennedy on Aug. 19th, when her daughter Susie was joined in wedlock to Mr. Walter Ewing. At twelve o'clock the groom took his place at the altar, and presently the bride leaning on the arm of her brother Charles who gracefully gave her away, took her place by his side.

Rev. W. W. Wylie officiated at the nuptial knot in the presence of a few immediate relatives and friends, and the solemn responses gave full evidence of realization by the contracting parties of the serious contract into which they were entering. After hearty congratulations were extended by all and good wishes expressed, the company sat down to a sumptuous repast where a very enjoyable hour was spent.

The bride who was unattended looked well in a dress of cream satin with bodice of pale blue silk with the regulation bridal veil and carrying a bouquet of cream roses. Her travelling suit was of navy blue serge and white hat.

The young couple left on the afternoon C. P. R. train to spend a short honeymoon at Owen Sound. We wish them a long and happy married life.

Obituary

MRS. LEON SUPERNAUT

There passed away on Friday last a well known resident of Bentinck, Mrs. Leon Supernaut at the age of 72. She was born at St. John's Quebec, and 45 years ago married Mr Supernaut and for the past 38 years has been a resident of Bentinck. To them were born nine children, seven of them girls. One son and one daughter predeceased her, the others with the exception of Mrs. Thos. Swallow, Transcona, Winnipeg, and Mrs. J. Scheurman, Buffalo, were present at the end. The sorrowing husband and children have the sympathy of many friends in their bereavement. Mrs. Supernaut was a devoted wife and mother and valued by the community as neighbor and friend. Interment took place on Monday to Dornoch cemetery amid many tokens of respect, Rev. Father Shaughnessy of Owen Sound conducting the funeral services.

The War from a Local Standpoint.

Dr. Cecil E. Wolfe, Veterinary Surgeon, has written the military authorities offering his professional services to the Canadian contingent, going to the European conflict. It is likely that his services will be accepted.

John S. Wilson, formerly school teacher at Vickers, has enlisted in the Hanover company of the 31st Regt. and is off to the front. Mr. Wilson is 21 years of age, comes of good Irish stock and will make a good soldier.

James Selkirk Wilson, son of Reeve Wilson of Hanover and well known in these parts is another member of Hanover "D" Company. He is 18 years of age and has been in the company one year.

The 31st regiment, 83 strong, were given a magnificent send off from Owen Sound on Thursday last. They are now encamped at Valcartier. Capt. Geo. H. Musgrove of Hanover is in command.

Frank Clemas of London, formerly employed in the Chronicle Office in town, is a member of one of the London regiments. His wife was formerly Miss Nellie Watt of Normanby and also well known in Durham.

When the first bugle notes of the war was sounded in Canada, among the number who answered the call to arms were five Englishmen, employees of the Cement and Furniture Companies in town. Two were reservists who immediately went back to England and the others left to join regiments in towns to the east where they had formerly resided.
