CHAPTER XXIV.

The hours dragged along as Stafford faced the tragedy of his life. As he paced with his head bowed in his hands, the effects of the wine he had taken, the suppressed excitement under which he had labored, passed away, and in the reaction his brain cleared, and he began to realize the terrible import of the step he had taken, the extent of the sacrifice he had tinger!" she murmured. the body temperature, whether the step he had taken, the extent of the sacrifice he had apartments; a stream of the made. His own life was wrecked and wing their way to the billiant with the body temperature, whether the body temperature the body temperature the body temperature. And Ida! What should he do in regard to her? He had promised that if his feelings underwent any change towards her he wile.

And Ida! What should he do in regard to her? He had promised that if his feelings underwent any change towards her he wile.

Howard did not start, but he stared in silence for an instant, then his eyelids had not been a vain one; for he knew had not been a vain one; for he knew had not been a vain one; for he, that at sight that he could not go to her, that at sight hered, and, foreing the astonishment than his eyelids that he could not go to her, that at sight that moment, if he servants' hall, on our own to us to have food decompose in the storm away. It is more serilike on the first troubles. It is not safe to cut tric troubles. It is not safe to cut this morning, send finishing up with a loving black and finishing up with a loving man finishing up w

know how much I love you, you will never she knew that it was in the wallet. (To be continued.) There is no hope, none whatever, for me. It do not ask you to forgive me—if I had I do not ask you to forgive me—if I had I do not ask you to forgive me—if I had have died than have told you that I lov-have died than have told you that I lov-have died than have told you to forget me; and I do ask you to forge

He was, as a rule, so moderate in drinking that the wine he had taken, supplemented by his misery, made him feel physically ill. He shuddered with cold as later on he dived into the water, and as later on he felt for the first time in

be whelming fate.

As Measom was dressing him he asked himself how he should get the letter to her. He decided that he ever write to her. He decided that he ever write to he knew he could trust not only to deliver the letter, but to refrain from telling any tone that he had been sent with it. He put one that he had been sent with it. He put to the stables to find Pottinger; but as secretary, came out of the library, and secretary, came out of the library, and secretary, came out of the library and served with the potting the open door, and called to him shrough the one of the standard the best corn spoiling at the tomatoes cracking open to be the

as fresh as usual, sir, he unconscious irony.

Sir Stephen threw up his head with a short laugh.

"Oh. my work wasn't finished last "Oh. my work wasn't finished last ray and I have been at it since seven ray and I have been at it since seven o'clock. I want to put some of these paro'clock. "They are going to-day?" said Stafford. "They are going to-day?" said Stafford. "Oh, yes; there will be a general exod-

of the last fifty years.

He smiled as a father smiles when he is planning a pleasure for his son.

"Yes, I should like it," said Stafford.

quietly. "But could I leave you here?"

"Oh, yes," said Sir Stephen. "The others will entertain themselves. Besides, it was an understood thing you should be free to go and come as you pleased. Of free to go and come as you pleased. Of course, you would like to go with Maude."
"Of course," echoed Stafford, his eyes on the ground. As he was leaving the

us. A great many of the people were only staying until we could be sure we had pulled this railway scheme through. Falconer and his daughter—I beg your pardon, my dear Stafford, I mean Maude!—talked of going to-day. But I persuaded them to stay until to-morrow. I thought you would like to go to London

A silence, so sudden as to be startling. "I am placing a thousand pounds to your lell upon the hot and crowded room; then, credit at your bank, I don't know when as Sir Stephen grasped his son's hand, a din of voices arose, an excited buzz of congratulations and good wishes. Staf-

room, and waving Measom away from him, he went to the window and flung it wide open, and stood there with his hands pressed against his throbbing brow; and though no word came from his parched line his hours are though no word came from his parched line his hours are the stall and leave the note nimself as forms of decomposition which she cannot see until the food is wholly spoiled, but she can learn what spoil the note in his hand. And as he turned away Maude Falconer let fall the curamy Maude Falconer let fall the curation which she had raised at her window tain which she had raised at her window mold. From the control of the curation which she had raised at her window mold. From the control of the curation which she had raised at her window mold. From the curation was a control of the curation with the curation was a control of the curation with the curation was a control of the curati so that she might watch him. She stood mold. Exactly the same causes with olive oil for a day, then rublide half closed.

"He has written to her," she said to herself. "Has he broken with her for the room or flung himself into a chair, nerself. has he broken with his head bowed in his hands, the good, or will he try and keep her? I they have been swallowed often good idea to instantly preserve any

phone As they entered the hall, Howard came lounging out in his leisurely way, from the drawing-room, and at eight of him Stafford seemed to awake, to realize what he had done and how he stood. He looked from Howard to Maude, then he said:

"Howard, I want you to congratulate to her? He had promised that if his feel-want is not said:

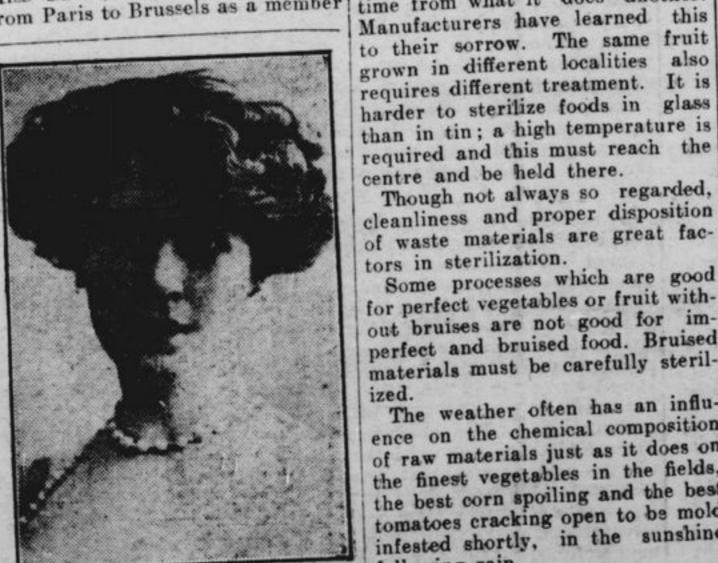

"Howard, I want you to congratulate to her? He had promised that if his feel-want is not said:

"Howard, I want you to congratulate to her? He had promised that if his feel-want is not said:
